PROVIDE, AS AN ATTACHMENT, THE FOLLOWING INFORMATION WITH THIS APPLICATION. DIGITAL ATTACHMENTS ARE PREFERRED.

1. A detailed, written description of: a) all exterior features that are proposed for modification or demolition and their existing condition; and b) the proposed materials, style and specifications the features subject to the proposed work. *An exterior feature is the architectural character, the general composition, and the general arrangement of the outer surfaces of an building, including the kind, color, and texture of building materials and the type and character of windows, doors, light fixtures, signs, fences, and appurtenant elements.*
2. Product specifications, drawings or scaled plans of proposed modifications or demolition item. (Detailed architectural drawings may be required upon request of the Joliet Historical Preservation Commission).
3. Provide color photos (clearly labeled) or a building elevation diagram to show the existing structure or portion of structure that would be affected by the proposed work.
