Boiling Water No Longer Required

DATE: August 23, 2018
TO: Affected Douglas Street Area Water Customers
FROM: Allison Swisher, Interim Director of Public Utilities
SUBJECT: **PRECAUTIONARY BOIL ORDER LIFTED**

A water valve repair occurred on 8/22/18 at the corner of N William Street and Douglas Street. Repairs were completed 8/22/18 to restore water service. The precautionary boil order issued as a result of this work is lifted. The necessary flushing and purification verification steps have been completed.

Water samples have been confirmed to be free of bacteria by a certified laboratory. You may return to normal use of your water service.

Please call our Utility Office at 815-724-4220 if you have any questions or need further information. Thank you in advance for your cooperation.
