## **CITY OF JOLIET 2020 BUDGET**

The City of Joliet derived its name from the French-Canadian explorer, Louis Joliet, who visited the area in 1673.

“**Juliet**” was incorporated by an act of Legislature as a village in the year 1837, and was governed by a president and board of trustees till 1841, when by an act of the Legislature the village charter was repealed and the trustees resigned, leaving Juliet without an organization till June 19, 1852, at which time the city of Joliet was incorporated by an act of the Legislature. The act of incorporation was approved by the electors July 5, 1852 by a vote of 168 for, 133 against.

The first set of ordinances for the government of the city were adopted August 20, 1852.

In the year 1857, a new charter for the city of **Joliet** was passed by the State Legislature, which remained in force (with some minor amendments) until August 5, 1876, at which time by a vote of the city the general Act to provide for the incorporation of cities and villages, approved April 10, 1872, and in force July 1, 1872, was adopted by a vote of 1076 for, 307 against.

The charter for 1857 and ordinances were published in book form in the year 1863, and was again published in the year 1869.

On the 27<sup>th</sup> of April, 1877, the general incorporation act adopted August 5, 1876 together with a revision of the ordinances, was published in book form.

The city encompasses approximately 63 square miles and is 39 miles southwest of Chicago. Census population reports have been: 1970 – 78,827; 1980 – 77,956; 1990 – 76,836; 2000 – 106,221; and 2009 Special Census – 152,812. The City’s population was 147,433 per the 2010 Census. In 2016 the city ordered a special census which added 1,930 to the population which brings the current population to 149,386.

As a home rule city under the 1970 Illinois Constitution, the City has no general obligation debt limit. In addition, it is not required to seek referendum approval for the issuance of bonds and has no statutory tax rate limitations for any purpose.

The City operates under a council manager form of government with five council persons elected from districts, a Mayor, and three council persons elected at-large, and an appointed City Manager. In the capacity of administrative head of the City, the Manager supervises the performance of approximately 907 full and part time municipal employees. The Joliet Municipal Building (150 W Jefferson, Joliet, Illinois, 60432) houses the administrative offices of the City. The City has a class III fire insurance rating, among the best ratings in the State of Illinois. The City provides trash removal and disposal and recycling services through a private contractor. The City operates a water supply and distribution system and sanitary sewer system.

**Budget Procedures**

**BUDGET PROCEDURE**

The City operates under the “Budget Officer” system governed by Section 8-2-9.1 through 8-2-9.11 of the Illinois Municipal Code (65 ILCS 5/8-2-9-1) and Ordinance No. 17025 of the City of Joliet.

Under this system, the Annual Budget serves as the legal appropriation enactment on which property taxes can be levied and expenditures can be made. The Annual Budget must be approved by the Mayor and City Council, after a public hearing, prior to the fiscal year it covers. The procedure followed is for the Mayor and City Council to publish the proposed Annual Budget by taking action at a regular Council meeting indicating that the proposed budget is on file with the City Clerk and available for public inspection. This action must be taken at least 10 days prior to the passage of the Budget. Not less than one week after the publication of the budget, a public hearing on the Budget must be held after 7 days publication notice.

In addition to the Annual Budget process, Section 8-3-1 of the Illinois Municipal Code (65 ILCS 5/8-3-1) also requires the adoption of the City’s annual general levy ordinance no later than the last Tuesday of December. In 2018 the Mayor and City Council are scheduled to hold regular meetings on December 3rd and 4<sup>th</sup> and December 17<sup>th</sup> and 18<sup>th</sup>. The deadline for adopting the levy ordinance is Tuesday, December 25<sup>th</sup>, 2018.

The levy deadline also applies to all special service levies extending Assessed Value based special taxes through the County administered property tax billing system. This would include the City Center special service area and the detention pond special service area. All special service areas are covered by the Annual Budget so that the levy is based on a valid appropriation.

In addition to the Annual Budget and the general levy procedures, Section 18-60 of the Truth in Taxation Act (35 ILCS 200/18-55 et seq.) requires that a good faith estimate of the amount of the annual levy be made by the corporate authorities at least 20 days prior to the adoption of the annual levy ordinance. If this estimate exceeds 105% of the prior year’s levy, exclusive of debt service levies, then the City must hold a public hearing prior to adopting the annual levy ordinance. The City must give 7-14 days advance notice of the hearing by publication in a newspaper published in each county in which the municipality is located.

**BUDGET DOCUMENT**

Ordinance Number 17025 Section 2-463 states that the budget document present a financial plan for the ensuing fiscal year and shall contain the following:

- A. Estimates of proposed revenues available to the City for the fiscal year for which the budget is drafted and actual revenues for the two years immediately preceding the fiscal year for which the Annual Budget is prepared.
- B. Recommended expenditures for the City and all of the City’s departments, commissions, and boards for the fiscal year for which the budget is drafted and actual expenditures for the two years immediately preceding the fiscal year for which the Annual Budget is prepared.

**CITY OF JOLIET

Budget Procedures**

C. Revenue estimates and expenditure recommendations presented in a manner in conformity with a chart of accounts, now or in the future, recommended by the National Committee on Governmental Accounting, or the Auditor of Public Accounts of the State of Illinois, or the Illinois Department of Revenue.

D. Specific funds from which each anticipated expenditure shall be made.

**BUDGET APPROPRIATION AND AMENDMENTS**

The City budget is adopted by the City Council on an activity or departmental basis. The City Manager is authorized by Budget Resolution to make budgetary transfers within the appropriation centers established through the budget. All transfers between appropriation centers may be made only by further action by the City Council.

The Council may make additional appropriations during the fiscal year for unanticipated expenditures required of the City, but such additional appropriations shall not exceed the amount which actual and anticipated revenues of the year are exceeding the revenues as estimated in the budget, unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety. The City Council may also reappropriate funds among appropriation centers. City Council is apprised of the budget status through monthly reports prepared by the Finance Department.

## GENERAL FUND

### OVERVIEW

The City's General Fund contains the budgetary and financial controls for all the City's activities and functions which are not accounted for in other specialized funds, which contain restrictions on the usage of the fund's assets, mandated by City Charter, City Ordinance, City Resolutions, State Statute or bond covenants. This fund contains budgets for all Operating Departments. The General Fund uses the current financial resources measurement focus and the modified accrual basis of accounting for budgeting which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The General Fund has an anticipated use of Fund Balance of \$0.3 million for the 2020 Fiscal Year. The Undesignated General Fund Balance is anticipated to be \$41,105,602.

### REVENUE

The proposed budget recommends revenues in the General Fund of \$192,424,180.

### EXPENDITURES

The total appropriation for the General Fund is \$192,724,180.

### FUND BALANCE

It is estimated that the City's Undesignated General Fund Balance will be \$41,105,602 at the end of FY 2020. This is projected to be 21.36% of operating revenues and 21.33% of operating expenditures.

### PERFORMANCE OBJECTIVES

The Undesignated Fund Balance will be maintained at not less than not less than 20.00% of operating revenues and expenditures. The current budget meets the fund balance goal for expenditures (21.33%) and revenues (21.36%). Revenue enhancements and expenditure savings will be monitored in the following fiscal year to maintain this goal.

## Department of Human Resources

### OVERVIEW

Human Resources is responsible for interpreting personnel matters in accordance with policy, encouraging and exercising leadership in the development of effective personnel administration, fostering and developing programs for the improvement of employee effectiveness, establishing and maintaining comprehensive personnel records of all employees, resolving employee grievances, administering procedures for disciplinary actions, administering employee health insurance, and all other items that are personnel in nature.

The Police and Fire Board administers and oversees the appointment, promotion and discipline of police officers and firefighters/paramedics.

### EXPENDITURES

Expenditures are expected to decrease in this department by \$154,593 from the 2019 budget. This is due to the lower budgeted costs of health care (\$130,000 decrease).

## Fire Department

### OVERVIEW

The Joliet City Charter adopted in 1852 states the City Council shall have the power and authority “To provide for the prevention and extinguishment of fires, and to organize and establish fire companies”. Chapter IX of the City Charter adopted in 1857 sets forth the duties and rules of the Fire Department and states the common council shall, “Prescribe the duties of firemen, and to make the rules and regulations of their government”. Ordinance 4142, adopted July 19, 1955 states, “There is hereby created and established a Fire Department for the City consisting of the Fire Chief, who shall be Director of the Department, and such other members as may be provided for by the Council. It shall be the function and duty of the Fire department and every member thereof to extinguish accidental or destructive fires, to prevent the occurrence and spread of such fires”.

The Fire Department provides emergency medical services to persons in need through the operation of an emergency ambulance service. The department also provides “Special Teams” ready and able to respond to waterway, and below grade rescues as well as hazardous materials incidents.

### EXPENDITURES

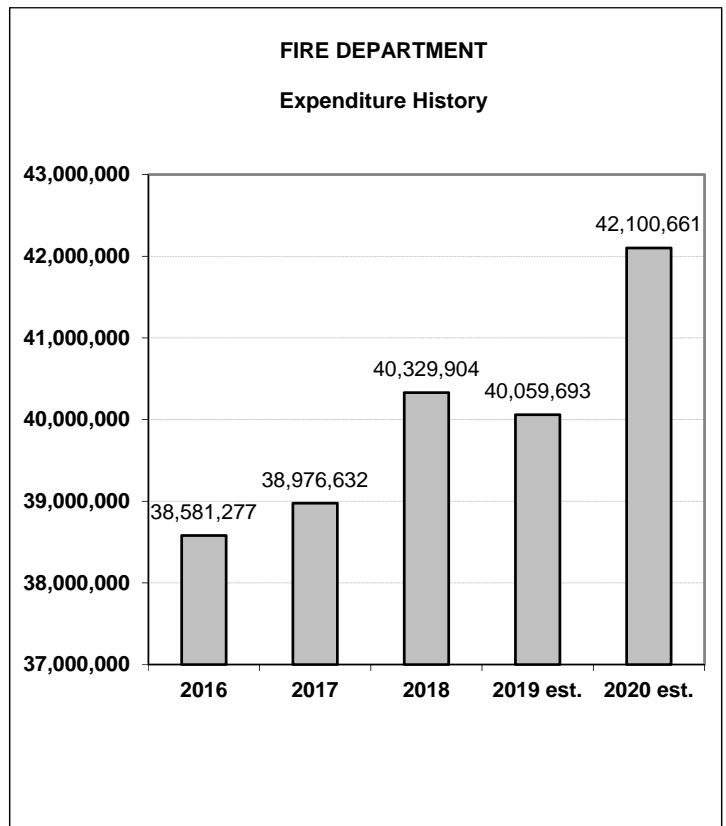

Expenditures are expected to increase in this department by \$ from the 2019 budget. This is due to the higher costs of pension contributions.

### FY 2019 ACCOMPLISHMENTS

1. Conducted training exercises on the City of Joliet’s “All Hazard Emergency Operation’s Plan.”
2. Received a new fire engine that will be housed at Fire Station #1
3. Fire Chief attended training classes for Fire Inspector I and II certifications.
4. Applied for Supplemental Medicaid payments through the Department of Health and Family Service’s Ground Emergency Medical Transport program (GEMT)
5. Received a grant to partially fund a new generator for Fire Station #1

### PERFORMANCE OBJECTIVES: FY 2020

1. Continue to develop ways to generate new revenue for the department
2. Participate in budget negotiations with both bargaining groups
3. Train new staff members moving into positions as a result of retirements

## Police Department

### OVERVIEW

The Joliet City Charter adopted in 1852 states the City Council shall have the power and authority to “regulate the police of the city, to impose fines and forfeitures and penalties or the breach of any ordinances, and to provide for the recovery and appropriation of such fines and forfeitures and the enforcement of such penalties”. Ordinance 4142, adopted July 19, 1955 states, “The Police Department shall consist of the Chief of Police, who shall be Director of the Department, and other members and officers as may be provided for from time to time by the City Council. The Chief of Police shall be appointed by the City Manager, subject to the Council’s approval”. On November 5, 1963 Section 33-1 of the code of ordinances was changed to read “There is hereby established a department of municipal government of the city, which shall be known as the police department and which shall consist of a chief of police and such other positions as may be provided for by the City Council in the appropriation ordinance”.

Ordinance 4142 states, “It shall be the duty of the members of the Police Department to see to the enforcement of all city ordinances of the City, and all statutes effective in the City, and to preserve order and prevent infractions of the law and to arrest violators thereof. Every member of the Police Department is hereby declared to be a conservator of the peace”.

## WATER AND SEWER FUND

### OVERVIEW

The Water and Sewer Fund is an Enterprise Fund. The fund is financed and operated in a manner similar to a private enterprise. The intent is that costs (expenses, including depreciation) of providing water and sewer services to the general public are recovered through user charges. The fund uses full accrual accounting based on Generally Accepted Accounting Principles (GAAP) and follows accounting and financial activities prescribed by the Financial Accounting and Standards Board (FASB) as long as it does not conflict with the Government Accounting Standards Board (GASB) guidance.

The City's water supply is obtained from 21 deep wells and 5 shallow wells. Water is pumped from the ground and treated at the City's 11 water treatment plants. The existing water distribution system consists of 663 miles of watermain including 8,351 fire hydrants.

The City operates three wastewater treatment plants: The East Side Wastewater Treatment Plant (placed in service in 1957), The West Side Wastewater Treatment Plant (placed in service in 1976) and The Aux Sable Creek Basin Wastewater Treatment Plant (placed in service in 2006). The wastewater collection system consists of 571 miles of combined and separate sanitary sewers. A stormwater pumping station and stormwater storage basin is used to address large wet weather flows in the collection system tributary to the Westside Wastewater Treatment Plant.

Twelve activities comprise the Water and Sewer Fund Services: Customer Service, Utilities Administration, Plant Operations Administration, Aux Sable Treatment Plant, East Side Treatment Plant, Water Services, West Side Treatment Plant, Water Field Operations, Sewer Field Operations, Field Operations Administration, Meter Repair, and Engineering Administration. Customer Service is administered by the Finance Department that includes collection and billing. All other functions are administered by the Public Utilities Department. The Public Utilities Department was created by Ordinance 15704, adopted in November, 2006, which states, "the Department of Public Utilities shall have administrative jurisdiction of the City public water supply and City sanitary sewer and wastewater treatment systems".

Also in the fund is the activity for the 2014A Water Bond Construction fund and 15 Illinois Environmental Protection Agency (IEPA) loan funds.

### REVENUE ASSUMPTIONS

The FY 2020 budget recommends revenues in the Water and Sewer Fund of \$58.1 million. This is an increase from the 2019 Budgeted revenues of \$57.3 million due to a combined 6.2% increase in water and sewer rates.

#### Water and Sewer Sales

Residential and commercial water sales are expected

to increase due to a 10.5% rate increase approved by City Council.

The proposed FY 2020 sewage disposal sales are also expected to increase due to a 3% increase in rates compared to FY 2019. Sales are expected to total \$31.6 million for FY 2020.

#### Interest Income

Interest income is expected to be \$ 370,000 for Fiscal Year 2020. This is an increase from 2019 budget amount of \$200,000.

#### Other Revenue

Other revenue consists of Sewer Surcharge (\$1,000,000), Water Turn On Fees (\$80,000), Water Tap On Fees (\$1,000,000), and Other Miscellaneous Fees (\$1.6 million).

### EXPENDITURES

The total appropriation for the Water and Sewer Fund is \$56,909,467.

#### Water & Sewage Disposal

Personnel Services (Wages & Fringe Benefits) account for \$13.1 million of appropriated expenditures. Other large items include electricity (\$4.6 million), Professional and Contractual Services (\$5.9 million), Supplies (\$9 million), depreciation (\$12 million) and Debt, including IEPA loans (\$7.7 million).

#### Capital Outlay

An appropriation of \$17,521,000 is recommended (an increase of \$5,324,500 from FY 2019) for the purchase of capital improvements. For the detail of the recommendations, please refer to the Capital Improvement schedule in the Water & Sewer Improvement Fund section of this document.

### 2019 ACCOMPLISHMENTS

- Completed Year 3 of the five year Water & sewer Rehabilitation Program.
- Implemented a computerized maintenance management system to better manage assets.
- Completed a study to identify an alternative water source due to depleted aquifer levels.

### PERFORMANCE OBJECTIVES

To continue to televise sewer lines to locate and repair defects in our sewer infrastructure, in accordance with the City's approved CMOM program which will reduce infiltration.

To continue the testing of fire hydrants to identify those that need repair or replacement.

To reduce the accounts receivable balance by improved collection methods.

## PARKING FUND

### OVERVIEW

The Parking Fund is an Enterprise Fund. An Enterprise Fund is used to report any activity for which a fee is charged to external users for goods or services. The fund is financed and operated in a manner similar to a private enterprise. The intent is that costs (expenses, including depreciation) of providing public parking are recovered through user charges. The fund uses full accrual accounting based on Generally Accepted Accounting Principles (GAAP) and follows accounting and financial activities prescribed by the Financial Accounting Standards Board (FASB) as long as it does not conflict with the Government Accounting Standards Board (GASB) guidance.

The Parking Fund is used to account for the revenue and expenses of the parking system in downtown Joliet. The public parking supply consists of 506 on-street metered spaces, two parking garages, and 10 parking lots.

### REVENUE ASSUMPTIONS

The FY 2020 budget recommends revenues in the Parking Fund of \$4,967,641, an increase from the FY 2019 budget of \$3,118,632. The increase is primarily due to increasing rental fees, and the borrowing of \$3,000,000 for infrastructure improvements.

### Rentals

The Parking Fund's main source of revenue is rents in the form of metered parking spaces, daily fees and parking passes. These rents are estimated to be \$1,502,401 an increase of \$561,770 over FY 2018 estimated rents.

### Fines & Fees

Fines and Fees are revenue paid for parking tickets issued. The revenue in FY 2020 is estimated to be \$355,000 a slight increase over FY estimated \$302,476. The increase is due to modernizing and improving collection efforts.

### EXPENDITURES

The total appropriation for FY 2019 is \$5,040,315 an increase of \$3,191,306 over the FY 2019 budgeted amount due to primarily to anticipated expenses associated with infrastructure and technology updates.

### PERFORMANCE OBJECTIVES

To hire a consultant with the goal of preparing a plan to modernize the collection system, expand security measures and improve the infrastructure to extend the useful life of the parking assets.

### ADJUSTMENT TO FUND

The operations and income associated with Union Station have been moved for FY 2020 to the Department of Public Works within the General Fund. This was done since Union Station activities are no longer considered part of parking operations and activities.

## Motor Fuel Tax Fund

### OVERVIEW

The City's Motor Fuel Tax Fund is a Special Revenue Fund that uses the modified accrual method of accounting and is used to control the expenditures of motor fuel taxes. The motor fuel taxes are earmarked, by law and the State Compiled Laws, for streets and highway purposes which are described in detail by the Illinois Highway Code.

The fund receives motor fuel tax revenues paid to Joliet and accounts for the construction, maintenance, and other authorized operations pertaining to all streets in the City.

This Fund has been established to make it possible to show that the City has complied with all legal provisions of Illinois Highway Code (605ILCS 5/) and the Motor Fuel Tax Law (35ILCS 506/).

The City Engineer is responsible for street improvements, maintenance and traffic operations, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting. The Engineer represents the City in transactions involved with the Illinois Department of Transportation.

The Public Works Department is responsible for the upkeep of streets which includes winter maintenance, sweeping, routine maintenance, and traffic services.

### REVENUE ASSUMPTIONS

The proposed budget recommends revenues in the Motor Fuel Tax Fund of \$5,700,000 for Fiscal Year (FY) 2020. This is an increase of \$1,900,000 from FY 2018.

#### State Grants - Street

The State of Illinois shares revenue that is collected for Gas and Weight taxes. The amount of \$5,600,000 is an increase of \$1,900,000 due to the passage of the recent transportation infrastructure bill by the State of Illinois which increased the local share of MFT funds to be received.

#### Interest Income

Interest Income of \$100,000 is budgeted and is based on a 2.0% return on funds available for investment during the fiscal year. This amount is the same as the prior year budget, but less than expected in 2019 due to lower interest rates expected in 2020.

### EXPENDITURES

The total appropriation for the Motor Fuel Tax Fund is \$11,561,000. This is an increase of \$3,962,551 over the budgeted expenditures of \$7,598,449 in FY 2019. Expenditures are affected by any road projects that may be planned during the fiscal year.

### FUND BALANCE

It is estimated that the City's Motor Fuel Tax Fund Balance will have a balance of \$2,066,589 at the end of Fiscal Year 2020. This is 17.88% of estimated expenditures.

### PERFORMANCE OBJECTIVES

To maintain Fund Balance to not less than 16.67% (two months) of operating expenditures.

## Grants and Special Revenue Fund

### OVERVIEW

The Grants and Special Revenue Fund is a Special Revenue Fund. Special Revenue Funds are maintained to account for specific revenue sources that are legally restricted to expenditures for specific functions or activities. The legal restrictions are imposed by State Statute or Constitution, City Council Resolution, Ordinance or City Charter. Special Revenue Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred. The following grants are accounted for in this fund:

### MULTI MODAL PROJECT

In 2011 the City of Joliet joined with the State of Illinois, County of Will, RTA, Metra, Amtrak, Burlington Northern Santa Fe Railroad, and Union Pacific to undertake the planning and development of the Joliet Regional Multi-Modal Transportation Center (JRMTC). The JRMTC will serve as a "HUB" for numerous modes of transportation including Amtrak passenger rail, local mass transit, intercity bus, automobiles, intra-community and airport shuttles, taxis, as well as bicycles and pedestrians. The JRMTC will be built and managed by the City of Joliet and is sustainably designed to serve local, regional, intrastate, state, and national needs.

### HOME PROGRAM

The Home Program is administered by the Department of Housing and Urban Development (HUD) and made pursuant to the authority of the HOME Investment Partnerships Act (42 U.S.C. 12701 et seq.). The HOME funds the City receives are administered through Will County's HOME Consortium. The activities under the HOME program are New Housing Construction, Down payment Assistance, Community Housing Development Organization (CHDO), and Administration.

### NEIGHBORHOOD STABILIZATION PROGRAM

The Neighborhood Stabilization Program was established under the Housing and Economic Recovery Act of 2008 and administered by HUD. The program permits local governments to purchase abandoned and foreclosed homes and to redevelop

them. Upon completion the homes will be conveyed to families with the greatest need

### BLIGHT REDUCTION PROGRAM

The Blight Reduction Program is funded from a grant from the Illinois Housing Development Authority through the U.S. Treasury Hardest Hit Fund Blight Reduction Program 2. The purpose of the program is to assist with the refinancing of eligible acquisitions, demolition, and greening costs with respect to blighted, vacant residential properties.

### ENGINEERING & CONSTRUCTION (HOUBOLT ROAD)

## Special Revenue Revolving Fund and Foreign Fire Tax Fund

### OVERVIEW

The Special Revenue Revolving Fund and the Foreign Fire Tax Fund are Special Revenue Funds. Special Revenue Funds are maintained to account for specific revenue sources that are legally restricted to expenditures for specific functions or activities. The legal restrictions are imposed by State Statute or Constitution, City Council Resolution, Ordinance or City Charter. Special Revenue Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

### SPECIAL REVENUE REVOLVING FUND

The Special Revenue Revolving Fund is used to account for funds received for a restricted purpose. These funds are restricted by Federal Guidelines, State Statute, covenant, or contract.

### FOREIGN FIRE TAX FUND

The Foreign Fire Tax Fund is funded by a surcharge put on insurance policies by insurance companies who don't have a presence in the State of Illinois. Expenditures are limited to purchases for the fire department. This fund was created in 2015. Prior to 2015 revenues and expenditures were part of the General Fund. An increase of \$5,000 is expected due to a decrease in the collection fee from 5% to 2.5%.

## Evergreen Terrace Fund, Community Development Block Grant Fund (CDBG) & Special Service Area Funds

### OVERVIEW

These are Special Revenue Funds and use the modified accrual accounting method. The modified accrual basis of accounting recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The City's Evergreen Terrace Fund was created to track costs for the litigation, purchase, and redevelopment of the high density housing complex commonly known as Evergreen Terrace.

The City's Community Development Block Grant (CDBG) Fund tracks revenue and expenditures for programs funded by the Federal Government's Community Development Block Grant Program.

The City's Special Service Area Funds were implemented pursuant to the *Special Service Area Tax Law* (35 ILCS 200/Art. 27). The purpose of creating a Special Service Area is to provide special government services in addition to those services provided generally throughout the City. The City has created three Special Service Areas: The Joliet City Center Service Area (Ordinance 11238; amended by Ordinance 15737) Park Hill Subdivision (Ordinance 16473) and Sidewalks and Miscellaneous services.

### REVENUE ASSUMPTIONS

The Evergreen Terrace Fund is expected to receive \$400,000 from the proceeds of operating the property.

The CDBG Fund is expected to receive Federal Grants (\$932,157) in 2020 to fund its programs.

The Special Service Area Funds are expected to receive \$555,540 in property taxes levied on the three Special Service Areas.

### EXPENDITURES

The Evergreen Terrace Fund has an appropriation of \$10,000 in 2020 for legal services.

The appropriation of \$932,157 in the CDBG Fund is for Water Main Improvements (\$380,000), Community Facilities (\$255,000), senior snow removal (\$49,823), and demolition of blighted properties (\$50,000).

The appropriation for the Special Service Area Fund is for reimbursement to the developer for land improvements made in the payment for physical enhancement and economic development in the Joliet City Center Special Service Area (\$430,000), maintenance of a storm water detention pond in the Park Hill Subdivision Special Service Area (\$11,540), and sidewalk repair (\$14,000).

### FUND BALANCE

It is estimated that the City's Evergreen Terrace Fund Balance will be a negative \$5,912,345. The proceeds from the operations will cover this deficit over the next 17 years.

The CDBG Fund is estimated to have a \$0 Fund Balance. All expenditures in this fund are reimbursable through the Federal Community Development Block Grant Program.

The Special Service Area Funds are estimated to have a combined fund balance of \$1,016,220.

### PERFORMANCE OBJECTIVES

To finalize the plan for Evergreen Terrace and to establish a plan for the future use of the property.

To use CDBG funds to eradicate blighted conditions.

To provide for the physical enhancement and economic development of the Joliet City Center through the identification, development, funding, implementation and administration of programs such as City Center marketing and advertising programs, business expansion and retention services, building façade improvement projects, attraction of new business, development incentives, building and structural repairs, consulting, planning and contractual services, security services and the promotion of City Center festivals and events.

## Tax Increment Financing (TIF) Fund #2, TIF Fund #3, TIF Fund #4, TIF Fund #5 & Business District Fund

### OVERVIEW

The City's TIF Funds and Business District Fund are Special Revenue Funds and use the modified accrual accounting method. The modified accrual basis of accounting recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The City's TIF Fund #2 (Joliet City Center Redevelopment Project Area) was established in April, 2000 (Ordinance 12714, 12715, and 12716) and amended in January, 2007 (Ordinance 15753). The City implemented tax increment allocation financing pursuant to the *Tax Increment Allocation Redevelopment Act* (65 ILCS 5/11-74.4-1) in order to promote and protect the health, safety, morals and welfare of the public by promoting redevelopment of blighted conditions.

The City's TIF Fund #3 (Cass Street Redevelopment Project Area) was established in October, 2011 (Ordinance 16881 & 16882). The purpose of establishing the TIF district is to encourage economic development, attract private investment, create new employment opportunities, rehabilitate dilapidated or obsolete structures, create additional housing opportunities, and to improve public services and facilities within the district.

The City's Business District Fund was implemented pursuant to the *Business District Development and Redevelopment Act* (65ILCS 5/Art. 11 Div. 74.3). The purpose of creating a Business District is to develop, redevelop, improve, maintain, and revitalize areas that have deteriorated and will continue to deteriorate causing a serious menace to the health, safety, morals and general welfare of the people of the City. The City has created two Business Districts: Route 53 and Laraway Road LLC or Lenny's Route 66 Food N Fuel (Resolution 6690) and Mickey Oil Company (Resolution 6829).

### REVENUE ASSUMPTIONS

TIF Funds receive revenue by freezing the property tax base in the year created and depositing all taxes collected above the base year tax in the fund. It is estimated that TIF Fund #2 will receive \$450,000 in property tax.

TIF Fund # 3 will receive \$102,500 in property tax revenue in 2020.

TIF Fund # 4 will receive \$17,600 in property tax revenue in 2020.

TIF Fund # 5 will receive \$17,200 in property tax revenue in 2020.

Business District Funds receive revenue by implementing a 1% sales tax on items sold. It is estimated that \$125,000 will be received in sales taxes in 2020.

### EXPENDITURES

The appropriation for TIF Fund # 2 is \$400,000 paid for 11 development agreements. An appropriation of \$52,000 is for development improvements in the City Center district.

## Debt Service Fund

### OVERVIEW

Debt Service Funds are established by bond covenants to account for the recording of the collection and expenditures of resources earmarked for the retirement of debt issued directly by the City. Debt Service Funds use the modified accrual basis of accounting for budgetary purposes. The modified accrual basis of accounting recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois provides the legal authority for the City to incur indebtedness.

All debt issues are funded by a City Council approved property tax levy therefore expenditures in this fund do not affect the general fund or other operations of the City.

Home rule units, including the City, are exempt from debt limitations.

The City currently has the following issues outstanding:

<u>Issue</u>	<u>Moody's Rating</u>
2014C Refunding Bonds	Aa2
2014D Refunding Bonds	Aa2
2015A Refunding Bonds	Aa2

It is the goal of the City to maintain this excellent bond rating and pursue an upgrade through sound financial practices.

On March 1, 1985 City Council officially adopted Ordinance Number 6237 establishing procedures to be followed in incurring indebtedness.

**JOLIET PUBLIC LIBRARY**  
**BUDGET REVIEW SUMMARY**  
November 12, 2019

Below is a summary establishing the budgetary appropriations necessary to fulfill the Library's mission in the Fiscal Year 2020.

**TAX LEVY** The levy amount for this budget is \$6,024,815. This is the exact same amount we asked for in 2019. With reductions in health insurance, payroll, and other operating costs, I am comfortable asking for a flat levy again this year. **In addition, I am asking City Council for \$6,500,000 in bonds for Project Burnham**, a comprehensive plan to remodel our Ottawa Street facility. This is outside of our regular operating budget.

**FUND BALANCE** By saving so much money, we are able to put most of our fund balance into long term savings for future projects. I recommend carrying over \$150,000 from FY2019.

**HEALTH INSURANCE AND SALARIES** The Library's overall compensation budget for this year (salaries/wages, FICA, IMRF and health insurance) has increased a tiny fraction (.42%) from the total compensation budget for FY2019. This is mostly the result of slightly higher IMRF costs.

**COLLECTION** The materials budget, which the Library uses to purchase books and audio-visual materials, will decrease by 14.61% compared to FY2019. We will be adding Playaway Launchpads to our eBook collection and increasing some of the children's and adult print collections.

**CAPITAL EXPENDITURES** In anticipation of Project Burnham, we have reduced our capital expenditures by 46.3%

**EQUIPMENT** Our overall equipment lines have decreased by 19.5%. This is because last year we needed to add all new computers.

**PER CAPITA GRANT** In 2019, we received our per capita grant in the full amount of \$185,000. We anticipate the same in 2020.

**PROJECT NEXT GENERATION** We have once again been awarded the PNG grant for FY2020 in the amount of \$31,941. The DMS and Youth Services Departments are collaborating on this grant as they have for the past several years.

## GLOSSARY OF KEY CONCEPTS

**ACCRUAL BASIS:** Accrual basis accounting recognizes transactions when they occur, regardless of the timing of related cash flows. The application of accrual accounting techniques prevents distortions in financial statement representations due to shifts in the timing of cash flows and related underlying economic events near the end of a fiscal period. The accrual basis of accounting is utilized in developing the Enterprise Funds' budgets.

**ACTIVITY:** A specific and distinguishable line of work performed by one or more organizational components of a governmental unit for the purpose of accomplishing a function for which the unit is responsible. For example, "Accounting" is an activity of the Finance budget.

**APPROPRIATION:** An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose.

**APPROVED BUDGET:** The revenue and expenditure plan for the City for the fiscal year as reviewed and approved by City Council.

**BALANCED BUDGET:** A balanced budget occurs when operating expenditures equal operating revenues plus a use of fund balance.

**BUDGET:** A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

**BUDGET ADJUSTMENT:** Adjustment made to the budget during the fiscal year by the City Council to account properly for unanticipated changes which occur in revenues and/or expenditures and for program initiatives approved during the fiscal year.

**BUDGETARY CENTER:** A general operating department of a local governmental unit, or any other department, institution, board, commission, agency, office, program, activity of function to which money is appropriated by the local unit.

**CAPITAL OUTLAY:** A disbursement of money greater than \$20,000 which results in the acquisition of or addition to fixed assets with a useful life longer than one year.

**CAPITAL PROJECTS FUND:** A fund created to account for all resources used for the acquisition of designated fixed assets by a governmental unit, except those financed by special assessment or by an enterprise fund.

**CONTINGENCY:** An estimated amount allocated for a budgetary deficiency for contingent or emergency purposes.

**DEBT SERVICE FUND:** A fund to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**DEPARTMENT:** A major administrative division of government.

## **GLOSSARY OF KEY CONCEPTS**

**ENTERPRISE FUNDS:** A fund established to account for operations that are financed and operated in a manner similar to a private business; i.e., the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis shall be financed or recovered primarily through user charges. Joliet's enterprise funds are Water & Sewer and Parking. Enterprise funds record land, buildings and equipment as assets and expense depreciation on the same.

**EXPENDITURE:** The cost of goods delivered and services rendered.

**FISCAL YEAR:** A twelve-month period designated as the operating year for an entity. The fiscal year for the City of Joliet is January 1 - December 31.

**FUND:** A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities.

**FUND BALANCE:** Net position of a governmental fund (difference between assets, liabilities, deferred outflows of resources, and deferred inflows of resources).

**GENERAL FUND:** The City's major operating fund, which accounts for all financial resources except those required to be accounted for in another fund.

**INFRASTRUCTURE:** The basic physical framework or foundation of the City, i.e., its buildings, roads, bridges, sidewalks, water system and sewer system.

**LINE-ITEM BUDGET:** A budget which emphasizes allocations of resources to specific organizational units or particular object of expenditures, such as personnel services, supplies, and capital outlay. Line-item budgets may be organized to provide accountability at varying levels, such as departments, divisions or agencies.

**MODIFIED ACCRUAL:** This basis of accounting recognizes revenues in the accounting period in which they are both measurable and available to finance expenditures. Expenditures are generally recognized in the accounting period in which they are both measurable and incurred. The modified accrual basis of accounting is utilized in the preparation of budgets for all governmental fund types, which include the General Fund, Special Revenue Funds, Capital Project Funds and the Debt Service Fund contained within this document.

**OBJECT:** An expenditure category within each activity made up of sub-objects. City objects include personnel services, supplies, other charges and capital outlays.

**OTHER CHARGES:** An expenditure within an activity which include, for example, professional services, utilities, rents and transportation.

**PERSONNEL SERVICES:** An expenditure object within an activity which includes payroll and all fringe benefits.

## **GLOSSARY OF KEY CONCEPTS**

**RECOMMENDED BUDGET:** The City's revenue and expenditure plan for the fiscal year, as prepared and recommended by the City Manager for Council's consideration.

**REVENUE:** An addition to the assets of a fund which does not increase a liability, does not represent the recovery of an expenditure, does not represent the cancellation of a liability without a corresponding increase in any other liability or a decrease in assets, and does not represent a contribution of fund capital to enterprise funds.

**SPECIAL REVENUE FUND:** A fund to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes.

**SUPPLIES:** An expenditure object within an activity which includes all supplies that have a useful life of less than one year and/or a purchase price per item of less than \$5,000 each.

## A look at Municipal Service delivery

The third largest city in Illinois, Joliet covers 65.2 square miles and has 149,395 residents. The municipal services help to make our community a great place to live, work and do business.

Joliet has 600 miles of City-owned streets, 642 miles of water main, 576 miles of sewer main, 123 traffic signals, 41 bridges, 2,965 public parking spaces, 14,500 lighting fixtures (4,500 City and 10,000 ComEd) and 36 school zone warning flashers.

Services are delivered by a workforce of 796 full-time and 76 part-time employees who bring a wide range of formal education, experience and expertise to their jobs.

With the highly trained and accredited police force and firefighter-paramedic force, the City of Joliet's public safety programs rival those of any other community.

Joliet's public works and public utilities programs are the core of our municipal services. They pump water, maintain streets, treat sewage, plow the snow, keep the traffic signals operating, and trim the trees among other things.

Other municipal services nurture business investment, manage thousands of parking spaces and foster development that provides jobs, retail opportunities, eating places and housing that meets the needs of our growing community.
