

Home Energy Assessment

Did you know that ComEd customers have opportunities to reduce water and energy usage with a FREE energy assessment that includes free and discounted products for your home. Customers who participate in

the FREE home energy assessment may be qualified to receive free water saving products including WaterSense® certified showerheads and WaterSense® certified

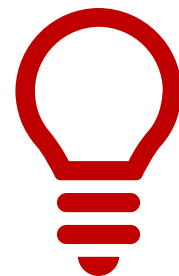

faucet aerators for

bathrooms and kitchens. Other freebies include ENERGY STAR® certified LEDs, Programmable thermostats or Smart thermostats with FREE

installation, and FREE hot water pipe insulation.
