Commercial/Industrial/Multi-Family Submittal Review Form

The City of Joliet will be implementing a web-based, electronic plan review system to provide a modern and efficient process for receiving, reviewing an issuing building permits. With ePlans, communication and plan review are accessible through a central hub beginning at the initial application stage and finishing with the approved plan set.

Below, please complete point of contact information for ePlan review. Only one person has access to uploading, downloading, and other functional submittal permissions, however the point of contact applicant may invite others as "View Only" applicants (Homeowner, Contractors, Co-workers, etc.).

This permit packet includes a Building Application, Electric Application, Plumbing Application, HVAC Application and Engineering Application. Please only complete those applicable to the project. If the contractor's are To Be Determined, fill in the applications to reflect the information provided in the submittal plans. Failure to complete the required information will result in a request for resubmittal.
