

Station Locations

The City of Joliet is striving to provide a more convenient way to provide bulk water to water haulers and contractors. We have three new Water Stations, located at convenient locations throughout the City, open 24-hours.

You can find the City of Joliet Bulk Water Stations at the following addresses:

- 2001 N Arbeiter Road
- 1203 Cedarwood Drive
- 818 E Cass Street

All Bulk Water information

JOLIET

Hydrant Meter Rental

*Hydrant Meters with Automatic
Meter Read (AMR) Technology for
Monthly Billing*

City of Joliet Department of Public Utilities
Joliet.gov/Utilities

Getting Started

To rent a hydrant meter from the City of Joliet, you must complete the **Application for Hydrant Meter Rental**, available as a fillable PDF on the City Website, or hardcopy at the Public Utilities office at 150 W. Jefferson Street, 2nd Floor (south).

Applications can be emailed to publicutilities@joliet.gov or delivered in person to the Public Utilities office. Applications will be reviewed, and if approved, sent to Customer Service for account set-up. Applicant will be contacted by Customer Service to process payment of the initial deposit and service fee.

Once deposits and fees are paid, hydrant meters may be picked up at the Public Utilities office.

Bulk Water Stations Now Available:

- 2001 N Arbeiter Road
- 1203 Cedarwood Drive
- 818 E Cass Street

By utilizing water from the Bulk Water Stations you save deposits and other fees associated with renting hydrant meters!!

Important Hydrant Meter Rental Terms & Conditions

- All hydrant meters are outfitted with an Automatic Meter Read (AMR) radio and will be read and billed monthly.
- Meters must be returned immediately if it is discovered that the AMR is not functioning.
- Meters must be returned at least annually for inspection of the Meter/AMR assembly.
- A copy of the Application for hydrant meter rental must always be kept in the vehicle during meter use.
- Only hydrants designated by the Department of Public Utilities may be used.
- Specific project related hydrant use may be approved by the Department of Public Utilities on a case-by-case basis

Rate Information

- All hydrant meters are 3" meters and require an initial deposit of \$2500.00, which is refundable provided the meter assembly is returned in good condition. Any fees, replacement, or repair costs incurred by the City of Joliet, will be deducted from the deposit upon return of the meter assembly.
- A one-time nonrefundable service fee of \$100.00 is due upon issuance of the meter.
- A monthly meter rental charge of \$30.00 will be billed regardless of usage and days of the month.
- Usage rates will correspond with current non-resident commercial rates as updated annually on 11/01.

Please Call the Public Utilities office at 815-724-4220 to make sure that a hydrant meter is currently available for rental.
