PREAMBLE

This Statement of Policy, effective the first day of January 1993 by the City, of Joliet, Illinois, to employees working under the operations, conditions and requirements of the City of Joliet, hereinafter referred to as the "City" or "Management", and the Illinois Fraternal Order of Police Labor Council hereinafter referred to as the "Labor Council". The City shall make an effort to maintain a sufficient number of personnel on duty for each scheduled shift in order to provide adequate service to the public and insure minimum safety for employees.

ARTICLE I

RECOGNITION

SECTION 1.1 Recognition

The City of Joliet, Illinois, recognizes the Illinois Fraternal Order of Police Labor Council as the sole and exclusive bargaining representative of all sworn, full-time police officers below the rank of sergeant, which includes Police Patrol Officers and Master Patrol Officers, of the City of Joliet Police Department with respect to salary, hours, fringe benefits, and other conditions of employment.

The City agrees that it will not interfere with the rights of the employees to become members of the Labor Council, and agrees that there shall be no discrimination, interference, restraint, or coercion by the Police Department or the City, or any of its authorized agents, against any employee because of his or her membership in the Labor Council or because of his or her presenting a grievance, or against any employee who may represent others in the discharge of his or her duties, or a member of any committee of the Labor Council. The Labor Council agrees for itself and its members, individually and collectively, to perform loyal and efficient work in the service of the Police Department at all times.

SECTION 1.2 Employer Representative

The City agrees that the City Manager or his designated representative shall be its agent with regard to any communications or matters presented by the Labor Council and further that the City and the City Manager, or his designated representative shall receive any and all communication regarding any matters and activities of any nature whatsoever of the Labor Council only through the Bargaining Committee or authorized representative of the Labor Council.

SECTION 1.3 Contract Supplied

The City shall provide a sufficient number of copies of this working Agreement for the Labor Council and bargaining unit members, within forty five (45) days of adoption.

ARTICLE II**INTENT AND PURPOSE****SECTION 2.1 Intent of the Parties**

It is the intent and purpose of the parties hereto that this Agreement will serve to promote and improve the relationship between the members of the Labor Council and the City, and to set forth herein the basic policy concerning compensation, hours of work, and other terms and conditions of employment that will be observed between the parties hereto. It is recognized by both parties that the proper and efficient operation of the City service is necessary to the welfare of the community and that proper function and increased efficiency can be established only through the complete cooperation of Employer and the members of the Labor Council. It is the belief of both parties that this attitude can best be encouraged when it is made clear that both Employer and Labor Council officials, are the guardians of a public trust and are not anti-union or anti-management, but are sincerely concerned with the best interests and well being of the members of the Labor Council as well as the public, which is served by the parties. Each employee shall be dealt with fairly, impartially and without personal bias.

SECTION 2.2 Political Non-Discrimination

In a community such as ours, there are certain regulations which govern the conduct of employees of the City and of the Police Department, just as there are regulations covering citizens in the community in which we live. These regulations have been devised to assure uniform administration of discipline and to end political patronage for City jobs which undermines the public confidence and the morale of those workers who are doing an effective job, and to reduce wasteful turnover. Accordingly, no employee shall be demoted, removed, discharged or otherwise disciplined on account of his political affiliation.

SECTION 2.3 Management Rights

Except as specifically limited to the express provisions of this Agreement, the City retains exclusively the right to manage and direct the affairs of the City in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine all the operations and services of the City; to determine the methods, means, organization, and number of personnel by which such operations and services shall be performed; to change or eliminate existing productivity standards, methods, materials, equipment and facilities and/or to introduce new or improved ones; to determine whether goods or services shall be made, performed, or purchased; to determine what services and operations shall be performed by the City or whether they shall otherwise be serviced, operated, or performed, and to determine their nature; to establish, schedule and change the hours of work; to assign employees to work as needed; to make and enforce reasonable work rules and, to lay off and to relieve employees from duty for just cause.

ARTICLE III

BARGAINING REPRESENTATIVE

SECTION 3.1 Bargaining Rights

The City and the Labor Council agree that the Labor Council shall bargain collectively for all employees covered by this Agreement.

SECTION 3.2 Labor Council Representatives

Labor Council Representatives and duly elected members of the local Bargaining Committee shall represent the bargaining unit in matters that arise between the Labor Council and the City.

SECTION 3.3 Limits to Number of Bargaining Committee Members

The Bargaining Committee may, if it desires, be accompanied by staff representatives of the Labor Council or legal representatives in its meetings with the City. The Bargaining Committee agrees to limit the number of its representatives to seven (7) persons, to the extent possible. If the total bargaining unit representation will exceed seven (7) people, the bargaining unit shall inform the City in advance as to the number to attend.

SECTION 3.4 Committee Time Off

The Bargaining Committee members shall be assured such time off with pay as may be required to attend regularly scheduled committee meetings with the City's Management bargaining team on all matters concerning wages, hours and working conditions, provided it does not interfere with the efficient operation of the Police Department.

ARTICLE IV

DISCRIMINATION

In accordance with applicable law, neither the City nor the Labor Council shall discriminate against any employee covered by this Agreement because of race, creed, color, national origin, sex, marital status or Labor Council membership status, or as a result of an employee who exercises his/her rights under this Agreement.

ARTICLE V**GRIEVANCE PROCEDURE****SECTION 5.1 Definition**

For the purpose of the parties of this Agreement, a grievance shall be considered a dispute between an employee or the Labor Council and the Employer concerning wages, hours, and conditions of employment or application of the Agreement. The Labor Council and the City agree that the City and Chief of Police will not recognize a grievance or matter of personal working conditions presented by an employee covered by this Agreement not in accordance with the procedures hereby established. The Labor Council agrees that no Employee covered by this Agreement shall bring any matter covered by the terms of this Agreement personally to the Chief of Police, Management, or the City Council, but shall follow the procedure outlined below. Recognizing that grievances should be raised and settled promptly, a grievance must be raised within twenty (20) calendar days of the event giving rise to the grievance or twenty (20) calendar days from the time the employee reasonably should have known of the event, and shall be processed as follows:

STEP 1 Whenever an employee believes that he or she has a grievance, the employee shall report it in writing to his or her Bargaining Committee Officers. The Bargaining Committee Officers may, with or without the aggrieved employee, take up the grievance with the employee's immediate supervisor. The supervisor shall then attempt to adjust the matter and shall respond to the Bargaining Committee Officers in writing within five (5) working days.

STEP 2 If the grievance has not been settled, it shall be presented in writing by the Bargaining Committee, to the Division Head within five (5) working days after the supervisor's response is due. The Division Head shall respond to the employee or the Bargaining Committee in writing within five (5) working days.

STEP 3 If the City or the aggrieved employee or Labor Council wish to appeal from Step 2, the grievance and appeal shall be presented in writing to the Chief of Police or the Chiefs authorized representative, and the Chief of Police or the authorized representative will arrange a meeting with the aggrieved employee, the Labor Council and/or Bargaining Committee within five (5) working days after the grievance has been filed with the Chief or the representative. However, if the Labor Council or Bargaining Committee member or the aggrieved employee or the Chief of Police or the authorized representative specifically requested an extension of time within the five (5) day period, an extension not to exceed an additional five (5) working days, shall be granted. At this meeting, both parties will be allowed to introduce and question persons familiar with the facts of the grievance. The Labor Council and the employee may be represented by officers of the Labor Council, the Bargaining Committee or legal representative if it so desires. The Chief of Police may call upon the Corporation Counsel, City Attorney, or any other City personnel for assistance. In no case will the grievance meeting be extended beyond a ten (10) working day period from the date the grievance was originally filed with the Chief of Police without the written consent of both parties. In this

Union

City

meeting the parties will attempt to resolve the grievance to the satisfaction of the employee, Labor Council and City and the matter shall be responded to the Labor Council in writing.

STEP 4 If an agreement is not reached at the level of Step 3, at any time within ten (10) working days after the meeting of the parties in Step 3, the aggrieved employee, the Labor Council or the City by and through the Chief of Police, or the Chiefs authorized representative may file a written request to meet with the City Manager and present their respective arguments. All previous written grievances, requests, documents, and dispositions of meetings and hearings shall be attached to the written request presented to the City Manager. The City Manager may then consider the grievance on the basis of the written documents filed with him or her or may call for a meeting between the aggrieved employee, the Labor Council, members of the Bargaining Committee Grievance Committee and the Chief of Police and have further hearings on the matter if the City manager deems this necessary. In any event the City Manager shall render a written decision of the City in any such grievance within ten (10) working days after being taken under consideration by either written documents or hearing. The City and the aggrieved employee may be represented by legal counsel if they so desire.

STEP 5

- (a) If the grievance remains unsettled, either the Illinois Fraternal Order of Police Labor Council or the City Manager may, within ten (10) working days from the receipt or statement of the City's position following the Step 4 meeting, file a written notice requesting binding arbitration between the Labor Council and City.
- (b) The arbitration proceedings shall be conducted by an arbitrator to be selected by the City and the Labor Council within seven (7) days after notice has been given. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) shall be requested by either or both parties to provide a panel of arbitrators. Within seven (7) business days after receipt of the list from FMCS, the two parties shall alternately strike one name at a time from the list, with the party striking first being determined by a toss of the coin. The arbitrator thus selected shall decide the merits of the grievance.
- (c) The arbitrator shall have no authority to subtract from, or change any of the terms of the agreement. The decision of the arbitrator shall be final and binding on the parties and the arbitrator shall be requested to issue his decision within thirty (30) days after the conclusion of testimony and argument.
- (d) Expenses for the arbitrator's services and the proceedings shall be equally borne by the City and the Labor Council. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such

Union

City

a record to be made, providing it pays for the record and makes copies available without charge to the other party and to the arbitrator.

SECTION 5.2 Waiver of Board of Fire and Police Commissioners Jurisdiction

(a) **Contesting Discipline**

If an employee wishes to contest recommended discipline, the Chief of Police or the Chiefs designee will hold an Administrative Review meeting with the employee and the employee's Union representatives. Upon completion of the Administrative Review, the Chief of Police will issue a Final Decision as to discipline ("Final Decision"), and notify the affected employee and the Labor Council in writing. At the employee's option, disciplinary action against the employee may be contested either through the arbitration procedure in Sub-section (b) below or through the Joliet Board of Fire and Police Commissioners (BOFPC), but not both, subject to the following: Discipline of a 5 working day suspension or more, and termination, may be appealed through either the arbitration process or the BOFPC. All other discipline (less than a 5 working day suspension) can only be appealed via the arbitration procedure.

In order to exercise this option, an officer must execute an Election, Waiver and Release form ("Election Form") agreed to by the parties to this Collective Bargaining Agreement (attached as Appendices "G" and "H"). The Election Forms shall be given to the officer at the time the officer is formally notified of the Final Decision. The employee shall have five (5) business days (Monday through Friday, excluding weekends and holidays) upon receipt of Election Forms to tender an executed Election Form to the Chief or the Chiefs designee. The employee need only execute and submit one form, either form "G" or "H", whichever appropriately reflects the option elected. If the employee selects arbitration as the method of contesting the proposed discipline, the Election Form shall constitute a grievance, which shall be deemed filed at the City Manager Step. If the employee selects the BOFPC as the method of contesting discipline, the employee need not take any action other than filing a timely Election Form in order to invoke the jurisdiction of the BOFPC. If the employee elects to have the appeal heard by the BOFPC, then the Chief must file appropriate charges before the BOFPC. The charges must be filed by the Chief within 90 days of the filing of the Election Form.

If the employee selects arbitration as the method of contesting discipline, within fourteen (14) days of the election (or longer if the parties mutually agree) the parties shall meet with the City Manager. If the matter is not resolved at the City Manager level, within fourteen (14) days (or longer if the parties mutually agree), the parties shall select an arbitrator and proceed with the arbitration process.

The Chief of Police has the right and discretion to impose discipline immediately upon the issuance of a Final Decision, including suspensions of more than five (5) working days and termination.

If an officer or the Labor Council fails to timely file the Election Form or the Arbitration Notice, such failure shall be deemed a waiver of the right to contest or appeal the Final Decision. Further, once an employee files an Election Form, the employee's

Union

City

choice of appeal method shall be considered irrevocable and a waiver of the right to appeal via an alternate method.

(b) Expedited Discipline Arbitration

- (1) The parties agree to use the arbitration panel attached hereto as an Appendix. Once each calendar year, in the month of November, either or both parties may strike not more than one (1) name from the established panel of arbitrators contained in the attached Appendix. A new, successor, Arbitrator shall be named as the replacement, by mutual agreement of the parties; or, selected according to Section 5.1 STEP 5 (b) of this Agreement if no agreement is reached.
- (2) Arbitrators shall be assigned cases on a numerical order according to their position on the established panel list, which shall be established in alphabetical order.
- (3) The City and the Union agree to comply in a timely fashion with reasonable written requests made by each other for information necessary to prepare the case for arbitration, provided such information is not privileged or otherwise protected under law from disclosure.
- (4) It is the intent and desire of the parties to conduct the arbitration hearing as soon as is practicable. Time is of the essence. To that end, in no event shall the arbitration hearing be held more than 60 days after the date the Labor Council files its Arbitration Notice unless none of the arbitrators on the seven member panel are available within said sixty day period or unless the City and the Labor Council otherwise agree in writing. If a hearing cannot be conducted within said sixty day period due solely to arbitrator unavailability, then the arbitration shall be conducted on the first date that any of the panel becomes available.
- (5) In the event post-hearing briefs are to be submitted, both parties agree to submit the briefs by simultaneous exchange through the Arbitrator.
- (6) The Arbitrator selected to hear the case shall be requested to issue a written decision within thirty (30) days of the closing arguments or receipt of the post-hearing written briefs, whichever is applicable.
- (7) The Arbitrator's decision shall be final and binding on all parties, provided the Arbitrator's decision shall be based on the record made at the Hearing, the Collective Bargaining Agreement and applicable law. The Arbitrator shall have no authority to subtract from or change any of the terms of the Collective Bargaining Agreement.

Union

City

- (8) The City and the Union shall equally split the cost of the Arbitrator's fees and expenses. In the event a court reporter is used, the parties shall equally share in the cost of the reporter and the arbitrator's copy of the transcript. The parties shall be responsible for their own costs of a transcript of the hearing.
- (9) The same Arbitrator may hear more than one case at the same time, by mutual agreement of the parties.

(c) Information Concerning Pending Investigations

The City shall endeavor to complete internal investigations within sixty (60) days of notifying the employee of the investigation. If the investigation does not involve allegations of criminal misconduct, and a Final Decision has not been rendered within said 60 days, the Labor Council or the employee may request that the Chief provide a status report regarding the investigation and an estimate as to when the investigation may be completed. The failure to complete the investigation within sixty (60) days or as may be otherwise estimated by the Chief shall not diminish the jurisdiction or authority of the Chief in imposing discipline or taking any other action.

SECTION 5.3 Attendance at Grievance Meetings

Meetings in the grievance procedure involving representatives from the City and the Labor Council shall be held during working hours, on the City's premises and without loss of pay to any two (2) bargaining unit members providing that these grievance discussions and investigations shall take place in a manner which does not interfere with City operations. If the presence of additional on-duty bargaining members is required or desired by the Union, such members shall be permitted to attend using FOP benefit time to remain in a pay status. This provision shall neither cause payment of overtime nor unreasonably shorten the normal duty shift.

SECTION 5.4 Time Limits

No grievance shall be entertained or processed unless it is filed within the required time limits. Time limits at any step of the procedure may be extended by mutual written agreement. If a grievance is not appealed within the time limits for appeal set forth above, it shall be deemed withdrawn without precedent or prejudice. If the City fails to provide an answer within the time limits as provided, the Labor Council may immediately appeal to the next step.

ARTICLE VI

REGULAR MEETINGS

To facilitate the orderly discussion and the proper disposition of such questions as may arise between the City and the Labor Council, it is understood and agreed that regular meetings will be held quarterly by the Bargaining Committee, the Chief of Police, the City Manager, and other representatives of the City of Joliet. The party requesting the meeting shall provide an agenda which shall state the subject(s) to be discussed. Such

Union

City

agenda should be submitted at least ten (10) days prior to the meeting; unless mutually agreed otherwise, in writing.

ARTICLE VII

SENIORITY

SECTION 7.1 Limitations

The parties hereto agree that, except as provided hereunder, seniority for promotion and other purposes is generally within the control and jurisdiction of the Board of Fire and Police Commissioners.

SECTION 7.2 Seniority Defined

For the purpose of this Agreement, three (3) types of seniority shall be recognized by the City of Joliet.

- (a) *City Seniority* - Accumulated time from the date the employee is hired by the City.
- (b) *Departmental Seniority* - Accumulated time from the date the employee begins service as a police officer for the City.
- (c) *Time in Grade Seniority* - Accumulated time from the date the employee achieves promotion to a higher grade.

An employee's earned seniority shall not be lost because of absence due to illness or injury as long as the employee remains in the service of the City, while on authorized leaves of absence or temporary lay off; provided, however, that if an employee severs service with the City to accept a disability pension and the employee's disability pension is later terminated and the employee returns to the City's active service, the employee shall be entitled to his or her accumulated seniority which existed at the time the employee was placed on the disability pension but the employee shall not be entitled to seniority credit for the time the employee was on a disability pension; provided further, that seniority credit for a temporary lay off shall be given for one year if the employee does not withdraw his or her contributions to the Police Pension Fund; and provided, finally, that any employee who resigns or is dismissed for just cause from the City's service shall lose all seniority credit.

An employee shall not earn seniority during such time that the employee is actually serving a disciplinary suspension, but only to the extent such suspension exceeds forty-five (45) days and relates to a single occurrence or administrative investigation. Suspensions that are held in abeyance shall not be counted towards said forty-five day period unless the suspension is actually served.

Union

City

SECTION 7.3 Seniority Determined

If more than one person is hired on the same day, the employee with the highest score on the original written examination only shall have the greatest departmental seniority over those hired on the same day, the next higher written examination score the next higher departmental seniority, and so on until a determination of departmental seniority is made for all hired on the same date. Only permanent employees will be eligible for seniority credit.

SECTION 7.4 Seniority Lists

The seniority list will be brought up to date each six (6) months, on July 1st and January 1st and copies sent to the Bargaining Committee and posted on the bulletin board.

SECTION 7.5 Application

The parties hereto agree that seniority shall govern the following matters:

- (a) Vacation for each calendar year shall be drawn by employees on the basis of departmental seniority preference.
- (b) When promotion to a higher rank is achieved, departmental seniority shall remain but time in rank will be used for vacation preference whereby those with higher seniority in a rank will receive preference for vacation over all others in the same rank. Officers in acting status shall be considered for vacations with those of their permanent rank, not with those of the rank in which they have acting status.
- (c) For scheduling purposes, if one or more employees make requests, the employees with the most departmental seniority shall be granted the requests if such employees are qualified.

ARTICLE VIII

JOB OPENINGS ADVANCEMENT TRANSFER AND LAY-OFFS

SECTION 8.1 Job Posting and Bidding

Whenever the City desires to fill a job opening, other than a temporary opening, in any existing job classification or as the result of the development or establishment of new job classifications, a notice of such openings shall be posted on all bulletin boards for ten (10) working days. During this period, employees who wish to apply for this open position or job may do so. The application shall be in writing and submitted to the proper Division Commander.

It is agreed that testing of applicants may be a prerequisite to some job openings. A passing grade is required and will be considered as a part of the applicant's qualifications. The City shall consider departmental seniority together with qualifications in selecting the applicant for the job opening. At the conclusion of the testing process, the

Union

City

City shall prepare a rank order list and privately notify each applicant of their respective rank. The City shall also post a limited rank order list identifying the most highly ranked applicants as determined by the Chief. The number of listed applicants shall be determined by the Chief based on the number of potential openings over the term of the list.

Although the opportunity is provided by the Labor Council and Management under this Agreement for promotions and transfers, the employee has the responsibility of bidding only for those jobs that the employee considers himself or herself to be qualified and those jobs which the employee truly desires.

SECTION 8.2 **Filling a Position**

The City shall fill the job openings with the applicant whose overall potential is best for providing services to citizens. When filling job opening, department seniority will be used as a tie-breaker when other qualifications are equal.

Temporary job openings may be filled by Employer assignment or reassignment based upon departmental seniority and qualifications.

SECTION 8.3 **Temporary Positions**

Temporary job openings may be considered as training assignments by which an employee may obtain experience that will enable him to qualify for future promotions.

Temporary assignments include but are not limited to assignments to detached units and assignment to the Mayor's detail.

If the Chief determines that there is a need to temporarily appoint an Acting Sergeant, then the employee then occupying the highest position on the Eligibility List then in effect shall be selected for the appointment. If such employee is unable to serve, then the person having the next highest position on the Eligibility List shall be selected. This procedure shall be utilized until the temporary opening is filled.

SECTION 8.4 **Working Out of Classification Pay**

Each employee who is temporarily required to perform the duties of a higher paying position classification for a minimum of (8) consecutive hours or more shall receive Temporary Assignment Pay for each hour of work performed in the higher paying position classification. Such pay shall be equal to the greater of either five percent (5%) of the employee's hourly base salary rate or the difference between the employee's hourly base salary rate and the minimum hourly base salary rate for the higher paying position classification.

SECTION 8.5 **Lay Offs and Recall:**

In the event it becomes necessary to lay off employees for any reason, employees shall be laid off in the inverse order of their departmental seniority.

Union

City

Employees shall be recalled from lay off according to their departmental seniority. No new employees shall be hired until all employees on lay off status, desiring to return to work, have been recalled.

The City will not layoff bargaining unit employees during the period from January 1, 2016 through and including December 31, 2019.

The City will not outsource work currently performed by existing bargaining unit employees. However, nothing herein shall preclude the City from reducing the workforce by attrition, or subcontracting bargaining unit work to:

1. Supplement work performed by bargaining unit employees, or
2. During emergency or unforeseen circumstances.

ARTICLE IX

DUES CHECKOFF AND FAIR SHARE

SECTION 9.1 Dues Checkoff

With respect to any employee from whom the Employer receives a voluntary, written authorization, signed by the employee, in a form agreed upon by the Labor Council and the Employer (attached hereto as APPENDIX "D"), the Employer shall deduct from the wages of the employees the monthly dues and initiation fee (if any) required as a condition of membership in the Labor Council and shall forward such amount directly to the Labor Council, at an address provided by the Labor Council, within fifteen (15) calendar days after close of the pay period for which the deductions are made. - (c) A physician's statement may be required of any employee before sick leave pay, is given if the employee uses more than three (3) consecutive work days, or unless a pattern of abuse has been established, or the City has just cause to believe an employee is abusing sick leave use. Such statements will give reasons for the employee's inability to perform his duties and will become a part of the employee's personnel record. Physician statements may be used as the basis for having an employee's physical health evaluated to determine his ability to continue the performance of duties and responsibilities.
- (d) The City, or its appropriate insurance carrier, acting as designated legal agent for the City, shall have the right to request a separate medical evaluation and/or opinion, from a specialist, if necessary, concerning the status of an employee's ability to return to duty, when incapacitated in accordance with this Article. The City and/or its agent shall bear any and all costs of such inquiry. If the evaluation and/or opinions of the employee's and the City's physicians are contradictory and/or inconclusive, either party shall have the right to request a third separate medical evaluation and/or opinion from a physician who shall be an appropriate specialist, but not in practice with either physician rendering the previous evaluations and/or opinions. The City shall bear any and all-related costs. If both parties request a third medical evaluation and/or opinion, the third physician shall be selected by the previous attending physicians, as outlined above, and the costs shall be borne equally by the City and the employee. When appropriate, reference shall be made in all cases to physicians approved by the respective Pension Boards. Both the City and the employee shall abide by the majority medical evaluations and/or opinions. Such evaluation and/or opinions may be required of the employee by the City and/or its agent monthly, while an employee is in such status.
- (e) An employee who becomes ill, injured or disabled shall report to his supervisor as soon as possible. In cases of an on-the-job injury, illness or disability to a full-time law enforcement officer covered by this Agreement, the City will pay the employee's regular salary/wages and benefits for a period of not more than twelve (12) months from the date of the illness or injury. Time lost as pertains to this Section shall not be deducted from the employee's accrued benefits (i.e. compensatory time, vacation time, holiday time, etc.); except in cases beyond twelve (12) months, when an employee desires to continue receiving such pay differential, it shall be deducted at the rate of one (1) hour for each three (3) working hours the employee is absent due to such status.

The City may require periodic medical examination to determine the degree of disability, at the City's expense. Other stipulations, qualifications and requirements of the *Public Employee Disability Act*, 5 ILCS 354/0.01 et seq. shall apply.

- (f) Any employee who shall retire from the City and who shall qualify, based upon a minimum of twenty (20) years departmental service, for a regular pension upon reaching the age of fifty (50) years, shall be entitled to a lump sum payment equal to forty percent (40%) of his accumulated but unused sick leave credit, up to a maximum of one thousand twelve (1,012) hours, i.e. a maximum total of four hundred five (405) hours multiplied by the employee's hourly wage. For purposes

Union

City

of this Section, the hourly wage shall be calculated by dividing the sum of the employee's annual salary, longevity pay and educational incentive pay by 2,080.

- (g) Dependent survivors of a deceased employee shall be eligible to receive a lump sum payment equal to forty percent (40%) of the employee's accumulated but unused sick leave credit up to a maximum of 1,012 hours, factored by the employee's hourly wage if
 - (1) The death was not in the line of duty, but the employee was vested for retirement benefits, according to the Police Pension Board; or;
 - (2) The death occurred in the line of duty, regardless of the employee's service length.
- (h) Each employee who is temporarily disabled and is expected to return to work, and who has exhausted his or her entire accrued Sick Leave balance may receive donations of accrued Compensatory Time from other employees. Such donated Compensatory Time may be used by the temporarily disabled employee in lieu of being placed on an Unpaid Disability Leave and may not exceed 240 hours.

SECTION 11.2 Maternity and Paternity Leave of Absence

- (a) Maternity leave is hereby defined as time off without pay, granted to a full time, non-probationary, certified female employee due to pregnancy. Said leave shall only be granted, if the employee does not elect to use accumulated sick leave or accumulated benefits have been exhausted.
- (b) In order for any employee to request maternity leave, said employee shall notify her department head in writing at least two (2) months prior to the date when the maternity leave is to commence, if practicable and shall include in said written notice the length of time for which the maternity leave is desired. Both the commencement and termination of leave dates should be based upon a statement of the employee's physician as to the dates, not later than which, the employee, for her own health and safety, as well as the baby's should both cease work and be able to return thereto. Such statement shall be attached to the employee's letter requesting maternity leave.
- (c) Maternity leave may be granted without pay for a maximum of one (1) year per pregnancy, upon written request from the employee.
- (d) An employee returning from maternity leave shall be assigned to a position for which she is qualified and for which a vacancy exists, except that any employee whose maternity leave has been less than three (3) months in duration shall be returned immediately to the position held by such employee on the date maternity leave commenced.
- (e) Each male employee, whose spouse has given birth, will be allowed to use accumulated Compensatory Time or Vacation Leave in lieu of reporting for work

on any scheduled work day after the release from the hospital of the mother for up to three (3) calendar days.

SECTION 11.3 Military Training Leave

A full time certified employee of the Police Department who is a member of a reserve unit of the Armed Forces of the United States, in addition to his or her vacation, will be granted leave for two (2) weeks for annual training sessions or schools, provided that twenty (20) days notice is given to his immediate superior or watch commander. In the event that compensation received by the employee while on military training leave is less than the employee would have earned for that period from his position in the City, then the City will compensate the employee for the difference, provided that the employee presents evidence of his compensation received from the Armed Forces while on Military Training Leave. For the purposes of this Section, it is understood that the City will calculate the difference in salary by dividing the employee's bi-weekly paycheck by ten (10) days even though the employee's military pay is based on fourteen (14) days pay.

SECTION 11.4 Training Leave

Employees may be granted leave with pay and expenses to attend professional meetings, training institutes and conferences at the discretion of the City Manager.

SECTION 11.5 Emergency Leaves

If a serious or unexpected emergency occurs to an employee's spouse or children, or a member of the immediate family in the employee's household, or emergency to the employee's domicile, the employee will be allowed to leave duty while the emergency exists. The employee must make arrangements to return to duty on the next day if the emergency continues beyond the duty day when the said emergency occurred, unless the employee received prior consent from the Chief of Police, or acting Chief or Officer in charge of the department in the absence of the Chief.

SECTION 11.6 Family Death Leave

A maximum of four (4) days leave with pay, dependent on funeral arrangements and travel requirements, may be granted to an employee of the Police Department in the event of a death in the immediate family. The immediate family will include only:

SECTION 11.7 Failure to Return After Leave

SECTION 11.8 Personal Leave

- (a) Employees may draw a maximum of three (3) personal leave days each calendar year from accrued but unused Sick leave. Personal Leave does not accumulate, nor may it be carried over from year to year.
- (b) Personal Leave may be taken at the employee's discretion subject to:
 - (1) Notification of intent to take such by the employee at least twenty-four (24) hours in advance, and;
 - (2) Approval by the Chief of Police, or his designated representative. Such approval shall only be withheld for operational reasons.

SECTION 11.9 FOP Time Off

The City shall, at the request of the Bargaining Unit Chairman, grant eighty (80) hours paid leave per year, and the bargaining unit members shall donate three (3) hours of paid sick leave time per year into a bargaining unit compensatory time pool, for use by employees who are selected as a delegate(s) for a specific activity for/or on behalf of the Illinois FOP Labor Council or the Fraternal Order of Police. Requests for use of such paid leaves time shall not be unreasonably denied or withheld and may be extended at the option of the City Manager. Seniority shall accumulate during such leaves of absence.

WORK HOURS

SECTION 12.1 Normal Work Day/Work Week

Except as otherwise provided in this Agreement, eight (8) consecutive hours shall constitute a regular work day and forty (40) hours a regular work week. Work schedules for the coming work period shall be posted no later than eight (8) days prior to the starting date of the new schedule.

The parties have agreed to implement a 12 hour shift schedule, which includes an agreement regarding filling a reduced workforce. The terms of that agreement are included in Appendix I and incorporated herein.

SECTION 12.2 Overtime Compensation

(a) Any time worked over the eight (8) hour shift shall be paid for at the rate of time and one-half and double time for holidays.

(b) An officer will be paid four (4) hours minimum pay at overtime rate if the employee is called out between the time of one (1) hour after his or her scheduled quitting time and four (4) hours before his or her regular starting time, provided that an employee shall be allowed the option of receiving compensatory time in lieu of pay; and such compensatory time shall be accrued at the rate of one and one-half times the time worked. This time and one-half provision does not apply to the time off under the holiday or birthday holiday benefit. An employee shall be allowed to accrue a maximum of sixty (60) days compensatory time, thereafter, any additional accrual of compensatory time shall be subject to approval by the Police Chief. The use of compensatory time must first be approved by the Police Chief before compensatory time shall be taken.

(c) Each employee may forfeit the use of any or all accumulated Compensatory Time accrued in lieu of taking time off work without pay for disciplinary reasons for up to three (3) work days. Each employee may use any or all accumulated Compensatory Time in lieu of taking time off work without pay for medical reasons after the employee has exhausted all accrued Sick Leave.

(d) Each employee who is temporarily disabled and is expected to return to work, and who has exhausted his or her entire accrued Sick Leave balance may receive donations of accrued Compensatory Time from other employees. Such donated Compensatory Time may be used by the temporarily disabled employee in lieu of being placed on an Unpaid Disability Leave and may not exceed 240 hours.

(e) The Police Chief, or the Chiefs representative, and the Union shall meet and confer to discuss how compensatory time will be requested and approved. The results of these discussions will be incorporated into a side letter to this Agreement.

Union

City

(f) Effective January 1, 2011, Shift Level overtime assignments shall be initially offered to employees on the basis of accumulated overtime hours, using a Shift Overtime List (SOL) for each shift. Each SOL will be established based upon the lowest to highest amount of accumulated overtime (excluding special assignments) worked in the prior calendar year as of January 1, 2011. Thereafter, effective January 1st of each subsequent year, the SOL will be again reset for each shift on the basis of inverse accumulated overtime in the same manner that the initial SOL was prepared.

(g) When an unanticipated Shift Level overtime vacancy occurs, the Chief shall first attempt to fill the overtime vacancy by offering it to employees on the SOL for the shift where the overtime vacancy exists. The procedure for contacting employees shall be determined by the Chief but the parties anticipate that a mass communication via text message or a similar procedure, with a fixed response window of no more than ten (10) minutes, will be required in order to fill the unanticipated vacancy on a prompt and orderly basis. If one or more employees on the shift in which the vacancy exists offers to fill the vacancy, then the employee with the highest position on the SOL (i.e., the least amount of accumulated overtime as of the prior January 1st) will be assigned to fill the vacancy. In the event no employee on the SOL accepts the overtime, the Chief shall then offer the overtime to all other available employees in the Operations Division, regardless of shift, in the manner currently in practice as of the date of this Agreement. If the overtime vacancy remains unfilled, the first employee with the least amount of seniority on the shift in which the overtime occurred shall be required to fill the vacancy.

(h) If an Employee changes shifts during the course of the year, the SOL shall be modified to reflect the employee's position on the SOL for the employee's new shift.

SECTION 12.3 Court Time

Court time will include: inquests, pre-trial, liquor hearings and all appearances in any court of law. It is agreed that when an off-duty sworn Police Officer is required to be in court, the Officer will receive compensation and shall be paid for a minimum of two (2) hours. In the event the Officer is required to be in court in excess of two and one-half hours, he or she shall be paid for an additional two hours at the rate of time and one-half. The employee shall receive pay for the above on the next pay period following his or her appearance in any of the above.

In addition to the foregoing, each employee covered by this Agreement shall receive an annual Court Stipend in the amount of \$1,000 in consideration of the time spent by the employee outside the normal work schedule in preparation for court appearances. For the 2011 contract year, the Court Stipend shall be \$1,000, but \$500 shall be abated. As such, the actual amount of Court Stipend paid to each eligible employee shall be \$500, subject to proration as hereinafter set forth. For the 2012 contract year, the Court Stipend shall be \$2,100, but \$1,100 shall be abated. As such, the actual amount of Court Stipend paid to each eligible employee shall be \$1,000, subject to proration as hereinafter set forth. In the event that this Agreement remains in effect after December 31, 2012, then the temporary abatement of the Court Stipend shall be deemed terminated and the amount of the annual Court Stipend shall be \$2,100.

Union

City

Newly hired employees shall receive the Court Stipend pro-rated on a monthly basis. For example, an employee commencing compensable service on May 1, 2010 shall receive a Court Stipend of \$666.67 for that year, which shall be paid as a part of regular payroll within a reasonable time after commencing service.

The Court Stipend shall be paid as part of a regular payroll in January of each year. The City and the Union acknowledge that the Court Stipend is considered "salary attached to rank" for the purposes of the *Pension Code*.

SECTION 12.4 Training Pay

All assigned schooling and/or training on off-duty time will be paid at the rate of time and one-half.

SECTION 12.5 Call-Out Pay

Employees called out after completing their work day shall be paid for a minimum of four (4) hours or all such work performed, whichever is greater, at the rate of time and one-half. This Section shall not apply to any court calls, which are solely governed by Section 12.3 of this Agreement.

SECTION 12.6 Changes to Posted Shift Schedule

- (a) The work schedule, determining the starting time, and the days off of each Police Officer shall be made by the Chief of Police or the Chiefs authorized representative, and may be changed from time to time to suit varying conditions, provided, however, that indiscriminate changes shall not be made in such schedules and provided further, that changes deemed necessary shall be made known to the employee at least five (5) working days prior to such change, except when there is mutual agreement between the employee and the Chief, or where the Chief believes there is an emergency situation.
- (b) For the purpose of this Section, an emergency situation shall be defined as a sudden unexpected happening, an unforeseen occurrence or condition, a specifically perplexing contingency or complication of circumstances, or a condition of insufficiency of services.
- (c) If an employee's duty hours or days off are changed other than as provided for in sub-section (a) of this Section, the employee shall be paid at the rate of one and one-half (1.5) times the employee's base hourly wage only for those hours worked which were not originally scheduled for that employee but which were worked within the five (5) day required notification of change period. These provisions shall not apply in those cases when such changes originate as the result of a request for change from an employee represented by the bargaining unit.
- (d) When regular shift changes occur, any employee who is not given at least eight (8) hours off between the end of one tour of duty and the beginning of another tour of duty, shall be paid at the rate of one and one-half (1½) times the employee's base hourly wage for those hours worked within the eight hour period. This

provision shall not apply in those cases when such changes originate as the result of a request for change from an employee represented by the bargaining unit.

- (e) Should it be necessary to adjust shift cycles from the present practice of fifty six (56) calendar days, the City shall explain the reasons for such change with the Bargaining Committee prior to the implementation.
- (f) Employees may switch shifts once per shift cycle for up to sixty (60) days (or the end of the shift cycle, whichever is sooner) upon reasonable advance written notice to the Chief.

SECTION 12.7 Field Training Officers

Effective January 1, 2006, employees assigned by the Chief to serve as Field Training Officers shall receive two (2) hours of pay at the employee's overtime rate for each shift that the employee actually serves as a training officer.

SECTION 12.8 Sub-Station Assignments

If an employee believes that the Chiefs assignment to a substation is not fairly related to the operations of the Department, the employee can meet with the Chief to discuss the basis of the assignment. If the employee is not satisfied with the Chiefs explanation of the basis for the assignment, the employee can meet with the City Manager to discuss the assignment. A substation assignment decision made by the Chief or the City Manager is not grievable.

SECTION 12.9 Travel Time

Unless otherwise expressly and specifically stated in this Agreement, travel time to and from an employee's residence and the location the employee is required to report for duty shall not be compensable or counted as hours actually worked for any purpose under this Agreement.

ARTICLE XIII

coverage, the spouse or dependent is properly enrolled in the City's Plan and all applicable premiums and copayments are paid as required.

(2) Waiver/Premium Credit

In the event the employer of the employee's spouse or dependent offers health insurance benefits, but does not offer individual coverage to the spouse or dependent on a primary basis for a premium totaling \$1,300 or less per year, then, at the option of the City, the City may elect to either waive the limitation on primary coverage set forth herein or provide the active employee with a credit against premiums due the City in the amount that the third party employer premiums exceed \$1,300 per year. The City may make or modify this election during each annual open enrollment period or at the time the City is informed by the employee that the employee's spouse or dependent has become eligible for employer-provided health insurance as provided below.

(3) Duty of Employee to Notify City of Status of Spouse or Dependent

The City shall provide an annual open enrollment process in which the employee shall be required to provide sufficient information to the City to establish the proper status of a spouse or dependent in order to determine eligibility for benefits and appropriate premiums and copayments under this Section. In addition, employees shall notify the City of a spouse or dependent becoming eligible for employer-provided health insurance within thirty (30) days of such eligibility. The City shall also permit mid-year changes in enrollment status of spouses and dependents due to changes in employment status.

An employee's failure to timely notify the City of a change in the status of a spouse or dependent, or to provide complete and accurate information required by the City pursuant to this Section may constitute just cause for discipline and for the denial or limitation of benefits and for the reimbursement of benefits improperly paid.

(4) Coordination of Benefits-Dependent Children of Parents not Separated or Divorced or of Divorced Parents Having Joint Custody

If both parents have the same birthday, then the plan that has provided coverage longer shall provide primary coverage.

(5) Coordination of Benefits-Dependent Children of Divorced or Separated Parents

In the event that a dependent child is covered by more than one health insurance plan, then the plan covering the parent with custody of the child shall provide primary coverage and the plan of the spouse of the parent having custody shall provide secondary coverage. The plan of the parent not having custody of the child shall provide the next level of coverage.

The foregoing notwithstanding, if an order or decree issued by a court of competent jurisdiction provides a different method of coordination of benefits, then such method shall govern and control upon proper notification to the affected plans.

(e) Employee Election to Opt Out of Plan

An active employee may opt out of the City's group health insurance plan at any time upon the submittal of written notice to the Department of Human Resources, or as the City Manager may otherwise direct. An election to opt out shall take effect on the first day of the second complete pay period following the submittal of written notice.

An employee that opts out shall not be required to pay the required premium for the City's group health insurance plan. In addition, an active employee that elects to opt out shall be eligible for an Opt Out Incentive. The amount of the Opt Out Incentive for employees having individual coverage shall be \$100 per pay period. The amount of the Opt Out Incentive for employees having family coverage shall be \$200 per pay period. The Opt Out Incentive shall be paid in conjunction with regular payroll but, to the extent permitted by law, shall not be considered salary for purposes of calculating hourly rates, pension benefits, overtime pay, holiday stipend, sick leave or vacation buyouts. The City may withhold income taxes from the Opt Out Incentive.

An employee who elects to opt out shall not be eligible for City group health insurance benefits after the opt out notice takes effect, whether on a primary, secondary or other basis. An election to opt out shall remain in effect until properly rescinded by the employee. In order to rescind an election to opt out, the employee must file a written notice with the Department of Human Resources that the employee is reenrolling in the City's group health insurance plan for the upcoming benefit period. This notice can only be filed during the annual open enrollment period or upon the occurrence of a midyear Qualifying Change in Status. The Opt Out Incentive shall be terminated at the time the opt out rescission takes effect.

For the purposes of this Section, a Qualifying Change in Status shall mean an event that affects eligibility for coverage in the City Plan, such as marriage, legal separation, divorce, loss of all eligible dependents, gain of eligible dependents, an employee gaining or losing eligibility for coverage in another health insurance plan, loss or gain of Medicare for any reason and coordination of a spouse's open enrollment period.

An Employee having a spouse that is also employed by the City, or that is enrolled on the City's Plan in his or her own right as a City retiree or disabled person, is not eligible for the Opt Out Incentive, unless both the Employee and his or her spouse elect to opt out, in which case neither the Employee nor the spouse shall be entitled to coverage on the City's Plan on a primary, secondary or other basis.

An Employee having a spouse that is also employed by the City shall be required to pay the monthly premium on an individual or family basis as the employee may designate (unless both the Employee and the Employee's spouse elect to opt out as provided above). In addition, if such an employee and his or her City-employed spouse enroll for family coverage, then the City shall provide coverage to the employee, the spouse and their respective dependents on a primary and secondary basis for Hospital

The parties acknowledge that there currently is pending in the Illinois Appellate Court the case of Marconi et al. v. City of Joliet, No. 3-11-0865. This case involves claim brought by four individual retirees which asserts that the annual deductible, prescription drug co-payments and certain other retiree obligations as described in this Section, as originally implemented on January 1, 2010, violate their rights under Article XIII, Section 5 of the Illinois Constitution.

The City and the Union agree that under the terms of this Agreement, and all predecessor collective bargaining agreements, the City is authorized to require the payment of a premium for retiree dependent coverage based on the full cost of such coverage. The parties further acknowledge that under the terms of this Agreement that the City has agreed to not fully exercise this authority as to those retirees that pay the annual deductible, prescription drug co-payments and certain other retiree obligations required by this Section. Therefore, in the event one or more of the plaintiffs in the Marconi case, or any other retiree, does not pay the annual deductible, prescription drug co-

The employee shall be given a reasonable time, not to exceed one hour, to consult with a union representative and/or counsel prior to any questioning. The City shall only discuss the particulars of the case with the employee and a union representative. Refusal to comply with the order to test may subject the employee to discipline, but the taking of a test shall not operate to waive any objection or rights the employee may have. No employee shall be subject to any adverse employment action, except temporary reassignment or relief from duty with pay during the pendency of any testing procedure. Such reassignment or relief from duty shall be discontinued immediately in the event of negative test results if such reassignment was solely to await the result of a testing procedure.

SECTION 23.5 **Specialized Units**

All members volunteering for assignment to specialized units shall be subject to drug testing upon their conditional selection to said specialized unit. Specialized units will consist of the Tactical Unit and any multi-jurisdictional unit (e.g., Metropolitan Area Narcotics Squad, Cooperative Police Assistance Team, and the Tri-County Auto Theft Task Force).

SECTION 23.6 **Right to Contest**

The union and/or the employee shall have the right to contest and/or grieve any aspect of any testing for just cause under this Agreement, including the right to test, the order, the administration of the test, the significance or accuracy of the test, or the consequences of the test results. Nothing herein shall waive or limit any rights employees may have concerning such test that may arise outside this Agreement, which the employee may pursue with or without the union.

SECTION 23.7 **Voluntary Requests for Assistance**

No adverse employment action shall be taken in any manner or forum against any employee for drug and/or alcohol usage who, prior to a positive result, voluntarily seeks assistance for alcohol or drug related problems, other than the Employer may temporarily reassign an employee if he is then unfit for duty in his current assignment. All such requests shall be held strictly confidential and not released or used in any manner or forum contrary to the employee's interests. Such voluntary requests shall not confer

Union

immunity from discipline for any criminal activity or misconduct attendant to substance abuse.

SECTION 23.8 Department-Wide Random Testing

- (a) All members of the Labor Council shall be subject to random drug testing. Members shall be assigned a permanent number and the selection of those to be tested shall be determined by a random drawing conducted by the Chief of Police and/or Deputy Chief in the presence of a selected Labor Council member. The Chief will be permitted to have four (4) random drawings per year with a maximum of 15% of total membership tested per drawing. No employee shall be subject to more than three (3) random tests per calendar year.
- (b) The Chief, without looking, will select officers for random testing by picking the assigned permanent numbers out of a container. The selection of numbers will be witnessed by a member of the Labor Council chosen by the Executive Board of the Labor Council. After an officer is selected, the testing will proceed as described in this Article.
- (c) A test for the presence of illegal drugs shall also be a part of any medical examination ordered by the City in connection with promotions, recall, or the return to duty after leaves of absence which does not include sick leave, vacation, or on-duty injury. All tests ordered by the City shall be at the expense of the City.
- (d) In all drug testing, whether for just cause or for random, the City shall use only a clinical laboratory or hospital facility that is licensed per the *Illinois Clinical Laboratory Act*, which laboratory shall comply with all NIDA standards. The City shall establish a chain of custody procedure to insure the integrity of samples and test results. Sufficient samples shall be collected so as to permit an initial, a confirmatory test, and an optional subsequent test to be arranged at a facility of the employee's choosing. Confirmatory testing shall be by gas chromatography, plus mass spectrometry (GCMS), or an equivalent or better scientifically accurate test. The cost of an optional subsequent test will be borne by the employee should he or she choose to have such test conducted.
- (e) As to drug testing, the Employer shall only be notified in the event that a sample has tested positive for a particular drug on both the initial and confirmatory test and any information otherwise coming into the possession or knowledge of the Employer resulting from the testing itself (e.g., insurance billings), except for confirmed results, shall not be used in any manner or forum adverse to the employee's interests. As to alcohol testing, test results showing an alcohol concentration of .08 or more (based on grams of alcohol per 100 milliliters of blood) shall be considered positive; the Employer shall bear the burden of proof of establishing that concentrations less than .08 indicated the employee is under the influence

in violation of this article. The employee shall receive a copy of all test results, information, documents and other reports received by the employer.

- (f) In the first instance an employee tests positive as defined above on a non-prescribed drug or alcohol test, the employee may be subject to disciplinary action, up to and including discharge. The following facts will be given consideration when determining discipline if the employee: (1) participates in an appropriate treatment program, including after care as determined by the physician(s) involved; (2) discontinues illegal use of drugs or abuse of alcohol; and (3) submits to periodic testing at the discretion of the Chief for one (1) additional year after completion of an after-care program. SECTION 23.10 Testing Notice and Representation

In the event the officer is deemed unfit for duty, such claim shall be accompanied by a clear opinion as to the specific time period such opinion is valid. Any dispute concerning such opinions, shall be finally resolved by a third psychological/psychiatric evaluation. Such psychologist/psychiatrist shall be mutually agreed upon by the parties.

The officer, or his authorized agent, shall be supplied with any and all facts which are alleged to support the order to undergo the testing, including the names of complainants, witnesses, reports, statements, and other documents which in any way relate to the basis for the order. Upon completion of the testing and reported assessment of the mental health professional, no aspect of the officer's job shall be modified unless just cause exists.

No suspension, discharge, or other adverse employment action may be taken against the officer except for just cause. However, the affected officer may be relieved from duty without loss of pay or benefits pending such testing and the receipt of the results of such testing. The rights and protections afforded the officer by the Informed Peace Officer's Disciplinary Act, or any other laws, shall not be diminished in any way by this provision and will at all times be applicable.

SECTION 23.13 Compensation and Costs

All testing, interviews, evaluations, etc. required by the Department for which the officer is required to participate shall be considered hours of work for the purposes of pay and worker's compensation liability.

**ELECTION, WAIVER AND RELEASE TO USE
GRIEVANCE/ARBITRATION WITH REGARD TO DISCIPLINE SUBJECT TO THE
JURISDICTION OF THE JOLIET BOARD OF FIRE AND POLICE COMMISSIONERS**

I, _____, (Star No. _____), being subject to discipline by the City of Joliet Police Department (including suspension from duty with or without pay or termination of employment) hereby elect to pursue a grievance over such discipline according to the appropriate provisions of the collective bargaining agreement between the City of Joliet, Illinois, and the Illinois FOP Labor Council. I agree that such grievance shall be my sole remedy to the exclusion of other remedies available to me.

I acknowledge that by making this election of remedy I am waiving the rights and remedies of any alternative review or appeal procedure available to me, such as provided for in any Illinois civil service law, rule or regulation, such as 65 ILCS 5/10 *et seq.*, as amended, in favor of the rights and remedies afforded to me under the provisions of the collective bargaining agreement between the City of Joliet and the Illinois FOP Labor Council. Furthermore, the execution of this Election, Waiver and Release shall be deemed a grievance and considered filed at the City Manager step. [By selecting the grievance process alternative, I acknowledge my understanding that the City has the right to unilaterally impose the proposed discipline immediately, subject to possible later modification or reversal by an arbitrator should I or the Union choose to pursue a grievance through arbitration.]

APPENDIX "I"

**Memorandum of Understanding
12 Hour Shifts**

May 16, 2012

This is an agreement amending the contract between the City of Joliet Police Department, and the Fraternal Order of Police Labor Council (FOPLC) creating 12-hour work-day shifts for 24/7 employees of the Operations Patrol Division. All other Officers not currently assigned to a Patrol Shift will remain unaffected by this Memorandum.

The following issues were discussed at the meetings to date and are understood by both parties as follows:

- Patrol Officers currently work a twelve (12) hour work day schedule.
- The 12-hour shift rotates days-off on a two-week cycle, 3 days on, 2 days off, 2 days on, 3 days off, 2 days on, 2 days off, and then repeats itself.
- Days worked the first week are days off the second week of this schedule.
- On a 12-hour shift, members would work 84 hours in a 2-week period; or 7 work days every two weeks; 14 work days in a 4-week period.
- Shift assignments are set on an annual basis, beginning with the distribution, collection and sorting of Hours of Work Request forms by the Operations Division Commander or his designee.
- Hours of Work Requests are sorted based upon member's department seniority, with the requisite number of officers needed to meet operational needs assigned to Dayshift and Nightshift. Members are then divided between "A" squads (Days/Nights) and "B" squads (Days/Nights) by alternating the assignments to each based on seniority (i.e., the no. 1 senior member is assigned to "A" squad, the no. 2 senior member is assigned to "B" squad, no. 3 assigned to "A", no. 4 assigned to "B", etc.).
- On the current 12-hour shift, members work an additional 104 hours over their required schedule. Eight (8) twelve (12) hour days and one (1) eight (8) hour day is owed back to each member that works the twelve hour work day schedule for an entire year and will be awarded in the form of Duty Reduction Days (DRDs). Members that work the twelve hour schedule for less than an entire year will have their Duty Reduction Days prorated accordingly. It is agreed that each member will schedule these Duty Reduction Days during their annual vacation draw. It will be the member's choice to either schedule vacation for the upcoming year or leave their accumulated time "in the bank", pursuant to rules governing vacation accrual in the current bargaining agreement, however the member's Duty Reduction Days **must** be scheduled at this time.
- Any training sessions that an officer attends at the Joliet Police Department or within an hour's drive time of the Joliet Police Department will require the officer

Union

City

to (1) maintain their twelve hour workday and report to the on-duty shift lieutenant upon completion of the training or (2) submit a leave of absence request form to cover the remaining time. When officers attend training sessions that are located outside of an hour's drive from the Joliet Police Department, they will not be required to report for duty upon completion of the training. The distance of the training site from the police department will be determined by the Training Coordinator and will be indicated on the department personnel order.

- All sectors plus one cover car will be fully staffed for all shifts.
- The vacation/DRD draw will take place annually, in the latter part of the year after the upcoming year's shift assignments have been set. The vacation/DRD draw for each shift/squad will be facilitated by that shift/squad's lieutenant(s).
- Members will schedule their vacations and Duty Reduction Days simultaneously, based on department seniority relative to the shift/squad that they are assigned to.
- When scheduling DRDs, members will schedule eight (8) twelve (12) hour work days off where there are available openings/slots in the DRD column of the vacation/DRD draw calendar. Members will also choose a day to apply the remaining eight (8) DRD hours to. It will be the member's responsibility to submit a leave of absence request to cover the remaining four (4) hours of the shift if desired. The leave of absence request can be submitted at anytime from the date of the draw up until the time currently allowed by department policy.
- Members that enter patrol after the annual vacation/DRD draw has concluded will be allowed to schedule their DRDs on any date that their shift/squad seniority would have allowed them to had they participated in the annual draw. In the event that a day is requested that already has the maximum number of officers (2) scheduled off on DRD, an exception to the maximum will be allowed and the member will be added to the date in question.
- During the scheduling of vacations, members will adhere to the current contractual language which divides the process into a "first" and "second" draw. During the "first draw", members will be allowed to schedule vacation hours that have been accrued through December 31st of the year in which the draw occurs. Vacations must be scheduled in full one week blocks. Any vacation time remaining after scheduling all possible full one week blocks from the annual accrual may be scheduled as a single day. No less than twelve (12) hours of vacation time remaining from the annual accrual may be scheduled as a single day. If a member wishes to participate in the "second draw", it will be the member's responsibility to notify the shift/squad lieutenant at the time of the first draw. During the "second draw", a member may schedule any remaining accrued vacation time that is in their "bank"; during this draw, members may schedule vacation time in either available full one week blocks or available single days.
- If a member enters patrol after the annual vacation/DRD draw has concluded, any vacations that the member has scheduled during the annual department vacation draw in their previous unit/division will be honored. In the event that the maximum number of officers that are allowed to be scheduled off on vacation (3) has already

been reached, an exception to the maximum will be allowed and the member will be added to the date in question. If a member previously assigned to another unit/division did not participate in the department's annual vacation draw, then that member will only be allowed to schedule vacations during blocks that are available.

- A workday for members working under this agreement is 12 hours. Anytime worked past 12 hours in a 24 hour period will be compensated at 1 ½ times the regular hourly rate of pay.
- Master Patrol Officers and Patrol Officers using accrued time (Compensatory, Vacation, Sick, Personal, and Management Leave), will be assessed 12 hours. All leave and suspension time will be accrued or deducted in hours, not days. A suspension day for personnel working under this agreement will be the equivalent of eight (8) hours.
- Regular Bi-Weekly payroll, the salary schedule, stipends and other compensation are not affected by this memorandum.
- Both parties understand that some unforeseen issues, occurrences, and/or oversights may develop. Both parties agree to meet and discuss these in a timely and reasonable manner if and when they occur.
- Parties agree to monitor the schedule and take note of concerns, issues, or other questions as they develop.
- Any dispute over the terms of this Memorandum of Understanding shall be resolved via the grievance procedure as laid out in Article V of the Contract.
- This Memorandum of Understanding shall be in effect from the date of ratification of the Contract by both parties until the expiration of the Contract, December 31, 2015, and shall be subject to the terms of the Duration Clause contained in Section 25.2 of the Contract. If notice is given pursuant to the Duration Clause contained in Section 25.2 of the Contract, the terms of this Memorandum of Understanding shall remain in full force and effect after the expiration date while negotiations or resolution of impasse procedures are continuing for a new Contract, or part thereof, between the parties.
- Any impasse concerning the negotiation of the terms of this Memorandum of Understanding shall be resolved under the impasse resolution procedure set forth in 5 ILCS 315/14.

2,186 hours / 12 hours = 182 work days

365 - 182 = 183 days off

183 days off + 8.75 Duty Reduction Days = 191.75 days off per year
