- Bid Groups
- Funding Programs

## Bidding and Contract Requirements

- Specifications and Measurement and Payment Review
- Key Contract Requirements

## Project Review

- Bid Schedules
- Project Details

**33 Miles of Water Main**

# 2024 Program Overview

## Bid Group 1

- Broadway, Center, and Western
- Cathedral Area Phase 1A
- Cathedral Area Phase 1B
- Plainfield Road (Theodore to Black)
- Spring Creek Phase 1
- West Park

## Bid Group 2

- Bridal Wreath Acres
- Forest Park Phase 3
- Hickory Creek East
- Idylside
- Parkview North
- Varnado Park Area

## Bid Group 3

- Black Road Acres Phase 2
- Burr Oaks
- Garnsey Park Phase 5A
- Garnsey Park Phase 5B
- Krings Acres Phase 2A
- Krings Acres Phase 2B

## Funding Programs

- **IEPA State Revolving Fund Loans**
  - Water Main Improvements
  - Lead Service Line Replacement
- **WIFIA Federal Funding**
- **COJ Water & Sewer Funds**

# Bidding Requirements

## City of Joliet

- Prequalification (Ordinance No. 7345)
- City of Joliet Procurement Code
- Local Bidder Ordinance does not apply
- City's 10% minority participation
- City of Joliet Affidavits
- Download documents from City website and sign up for RSS feed
- Check City website for any addenda

## Federal Funding Requirements

- Advertise for DBEs in daily regional paper
  - One advertisement is acceptable for multiple projects, must meet earliest date
- Provide list of all subcontractors
  - Can use DBE Form #4
- Davis-Bacon or Illinois Prevailing Wage Act, whichever is higher
- Use of American Iron and Steel
- Employment of Illinois Workers on Public Works Act
- Illinois Works Jobs Program Act – Apprenticeship Initiative
- Project sign posted at job site

# Key Contract Requirements

## Specifications and Measure and Payment

- Contractor must meter water
- Bid Submittal Checklist for IEPA requirements
- Contractor Badges required prior to entering homes
- Licensed plumber required for all water services
- Trench backfill tables in M&P
- RJT tables in Standard Details
- Pavement Restoration Thicknesses in General Notes

## Key Notes

- **Contractor to procure all pipe**
- **Pipe material varies by project**
- **Sanitary Lateral Secondary Locates**

# Key Contract Requirements

## Work Areas and Liquidated Damages

- Work in multiple Work Areas is allowed but will not extend any Work Area’s completion times
- Deviations to Work Areas must be submitted to the City at the Pre-Construction meeting for approval
- Contract time will commence upon any intrusive work to earth or pavement (sawcutting, milling, excavation, potholing, etc.)

Description of Interim Milestone Liquidated Damages	Dollar Amount
Water Main and Water Service Completion of individual Work Area not completed within specified time	\$500/day
Pavement restoration of individual Work Area not completed within specified time	\$500/day
Unscheduled work occurring without required notice to residents as outlined in Section 33 11 43	\$500/property for each occurrence
Traffic Control Deficiency per MUTCD requirements as specified in 01 50 00	\$1,000/day

# Key Contract Requirements

## Digital Utility Data Collection Requirements

- Survey all exposed or installed water, sanitary, and storm utilities
- City of Joliet will provide one complete GPS unit and ESRI license per project, per available inventory
  - \$7,500 deposit (cashier's check)
  - Contractor can provide their own GPS unit or rent additional from B&W
- Contractor must provide a smart phone or tablet with 5G connectivity
- City staff will not provide technical support of the GPS units
- A 2-hour training session will be provided at the start of construction and support up to 4 hours per month
  - The cost for additional support is not included in this project. Contractors are recommended to establish a working relationship with a GPS support consultant to provide as-needed assistance

# Key Contract Requirements

## Material Testing QA/QC

- Follow IDOT Memo 20-08.3 Field Test Procedures for Mixer Performance and Concrete Uniformity Tests
- Air content, slump, coarse aggregate content, strength at 7 days
- Comply with IDOT Special Provision LR-1030-2 for HMA Pavement QC/QA
- Nuclear density gauge testing or core sampling
- Follow Hot-Mix Asphalt QC/QA Procedure for Determining Random Density Locations

**HOT-MIX ASPHALT MIXTURE REQUIREMENTS**

MIXTURE TYPE	AIR VOIDS @ Ndes
<b>FULL DEPTH PAVEMENT</b>	
HOT-MIX ASPHALT SURFACE COURSE, IL-9.5, MIX "D", N50 - DEPTH VARIES	4% @ 50 Gyr.
HOT-MIX ASPHALT BINDER COURSE, IL-19.0, N50 - DEPTH VARIES	4% @ 50 Gyr.
<b>PAVEMENT RESURFACING</b>	
HOT-MIX ASPHALT SURFACE COURSE, MIX "D", N50 - DEPTH VARIES	4% @ 50 Gyr.
<b>TEMPORARY PAVEMENT</b>	
HOT-MIX ASPHALT BINDER COURSE, IL-19.0, N50 - 2" MINIMUM	4% @ 50 Gyr.
<b>DRIVEWAYS</b>	
HOT-MIX ASPHALT SURFACE COURSE, IL-9.5, MIX "D", N50; 1 1/2" MINIMUM	4% @ 50 Gyr.
HOT-MIX ASPHALT BINDER COURSE, IL-19.0, N50 - 1 1/2" MINIMUM	4% @ 50 Gyr.
<b>PATCHING</b>	
CLASS D PATCHES (HMA BINDER IL-19.0mm) - 8"	4% @ 70 Gyr.

Test	Requirement (Note 1)
Air Content, percent by volume of concrete	1.0 (Note 2)
Slump, mm (inch)	25 (1.0) (Note 3)
Coarse aggregate content, portion by mass (weight) of each sample retained on the No. 4 sieve, percent	6.0
Average flexural or compressive strength at 7 days for each sample based on average strength of all comparative test specimens, percent	7.5 (Note 4)

# Key Contract Requirements

 <p><b>NOTICE OF START OF WATER MAIN REPLACEMENT WORK</b></p> <p>As part of the City's water main replacement program, the water main on your street is scheduled to be replaced. This construction is scheduled to start within 7 days.</p> <p>Please visit the City's website for project updates at <a href="http://www.Joliet.gov/Construction-Zone">www.Joliet.gov/Construction-Zone</a></p> <p>Garbage, yard waste, and recycling pickup will be at 6 am on the regularly scheduled day. PLEASE PLACE YOUR GARBAGE, YARD WASTE, AND RECYCLING NEXT TO THE PAVEMENT BEFORE 6AM. Pick-up will resume at the normal time once the project has been completed.</p> <p>Smart Message Community Alerts Smart Message provides residents with alerts from the City of Joliet. Information includes notice of water main breaks, water main work updates, and ball orders. Sign up at <a href="http://www.Joliet.gov/smartmessage">www.Joliet.gov/smartmessage</a></p> <p>City of Joliet Department of Public Utilities 815-724-4220</p> 	 <p><b>NOTICE OF TEMPORARY WATER OUTAGE</b></p> <p>As part of the City's water main replacement program, water to your property will be off for water main replacement work at the below date and times.</p> <p>Please visit the City's website for project updates at <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>City of Joliet Department of Public Utilities 815-724-4220</p> <p>Date: _____</p> <p>From: _____ AM / PM</p> <p>To: _____ AM / PM</p> 	 <p><b>NOTICE OF WATER SERVICE REPLACEMENT</b></p> <p>As part of the City's water main replacement program, water service to your property will be affected on the below date. The water outage will usually last less than one hour. You may experience air build-up within your water lines. It is recommended to run water for five minutes to remove any air build-up.</p> <p>Please visit the City's website for project updates at <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>City of Joliet Public Utilities Department 815-724-4220</p> <p>Date: _____</p> 	 <p><b>LANDSCAPE RESTORATION UPDATE</b></p> <p>The City's water main replacement work adjacent to your address has been completed. The landscape restoration work will be completed when the weather is conducive for grass to be planted.</p> <p>Please visit the City's website for project updates at <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>City of Joliet Public Utilities Department - 815-724-4220</p> <p>Landscape restoration work is scheduled to begin on _____</p> <p>Date: _____</p>

La información incluye avisos de fallas de suministro u informes de hervir el agua. Regístrese en <a href="http://www.Joliet.gov/smartmessage">www.Joliet.gov/smartmessage</a></p> <p>Departamento de Servicios Públicos de la Ciudad de Joliet 815-724-4220</p> 	 <p><b>AVISO DE CORTE TEMPORAL DE AGUA</b></p> <p>Como parte del programa de Reemplazo de la tubería principal de agua de la Ciudad, se cortará el suministro de agua a su propiedad debido al trabajo de reemplazo de la tubería principal. Vea el otro lado para la fecha y hora.</p> <p>Visite el sitio web de la ciudad para actualizaciones del proyecto en <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>Departamento de Servicios Públicos de la Ciudad de Joliet 815-724-4220</p> 	 <p><b>AVISO DE REEMPLAZO DE SERVICIO DE AGUA</b></p> <p>Como parte del programa de reemplazo de tuberías principales de agua de la Ciudad, el servicio de agua de su propiedad se verá afectado en la fecha a continuación. El corte de agua suele durar menos de una hora. Es posible que puede experimentar una acumulación de aire dentro de las líneas de agua. Se recomienda dejar correr el agua durante cinco minutos para eliminar cualquier acumulación de aire.</p> <p>Visite el sitio web de la ciudad para actualizaciones del proyecto en <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>Departamento de Servicios Públicos de la Ciudad de Joliet 815-724-4220</p> 	 <p><b>ACTUALIZACIÓN DE RESTAURACIÓN DEL PAISAJE</b></p> <p>Se ha completado el trabajo de reemplazo de la tubería principal de agua de la ciudad adyacente a su dirección. El trabajo de restauración del paisaje, se completará cuando el clima sea propicio para plantar césped.</p> <p>Visite el sitio web de la ciudad para actualizaciones del proyecto en <a href="http://Joliet.gov/Construction-Zone">Joliet.gov/Construction-Zone</a></p> <p>Departamento de Servicios Públicos de la Ciudad de Joliet 815-724-4220</p> <p>Vea la fecha al otro lado cuando el trabajo de restauración del paisaje está programado para comenzar.</p> 

## Resident Notifications

- Start of Water Main Work
- Temporary Water Outage
- Water Service Replacement
- Landscape Restoration

# Key Contract Requirements

## Lead Service Line Workflow

- Project Management Pay Item
  - Participant: 3 hours
  - Non-participant (known lead): 1 hour
- Sample Workflow and Forms in Project Manual
- Notification/Replacement Timeline
  - Comply with IEPA and IDPH Requirements
  - For Known/Suspected Lead:
    - City to notify of project minimum 45 days, additional attempts required if no response
    - Pre-construction sampling
    - Notify 14 days prior to LSL replacement
  - For Lead Discovered During Construction, notify City immediately

**Lead Services Expected in 10 Projects**

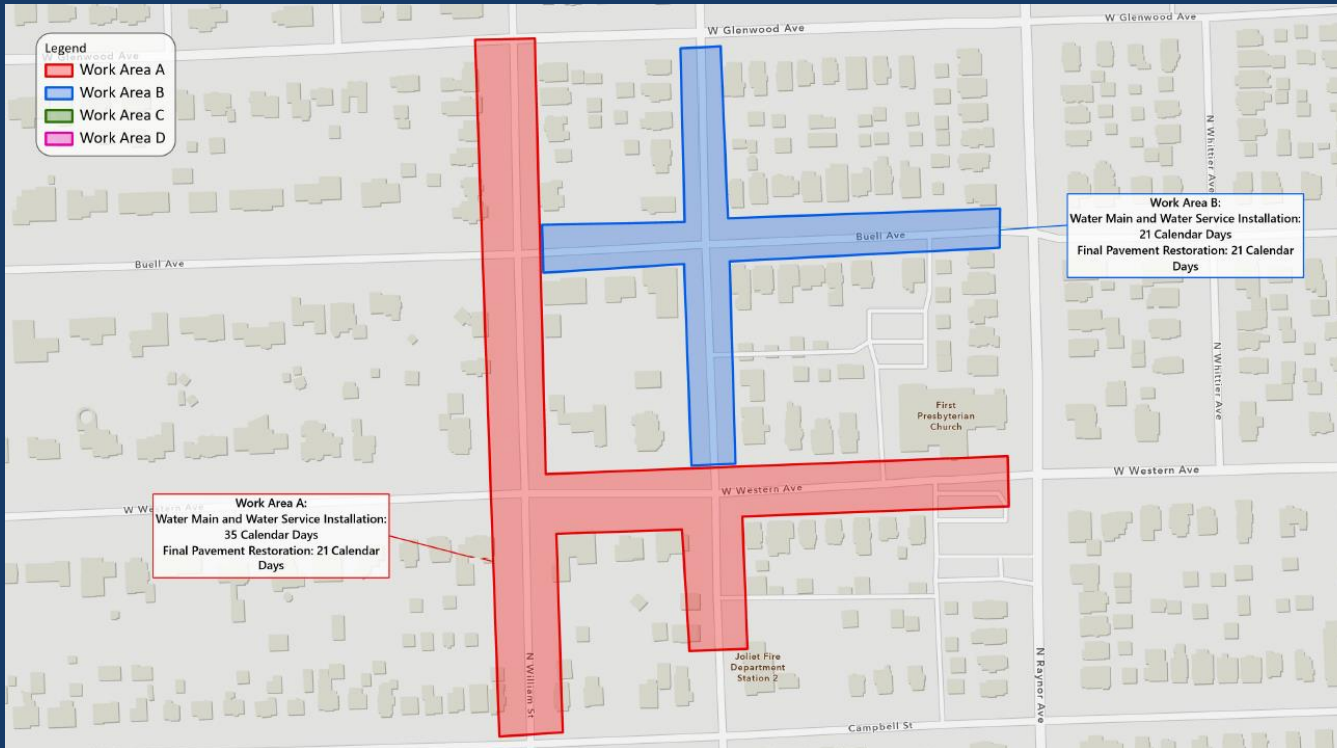

# Project Review – Bid Group 1

Project	Last Day for DBE Ads	Last Day for Questions	Bid Opening	
Cathedral Area Phase 1A	November 12	November 21	November 28	10:00 AM
Cathedral Area Phase 1B	November 12	November 21	November 28	2:00 PM
Broadway, Center & Western	November 13	November 21	November 29	10:00 AM
Plainfield Road (Theodore to Black)	November 13	November 21	November 29	2:00 PM
Spring Creek Phase 1	November 14	November 21	November 30	10:00 AM
West Park	November 14	November 21	November 30	2:00 PM

# Project Review – Bid Group 1

## Cathedral Area Phase 1A

4,400 feet of 8” – 16”, DI or PVC

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 60 days

Final Completion: 90 days

Expected Lead Service Lines

City will complete pH testing and sign LPC-662

# Project Review – Bid Group 1

## Cathedral Area Phase 1B

3,900 feet of 8” – 16”, DI or PVC

Estimated Notice to Proceed: 6/1/24

Substantial Completion: 60 days

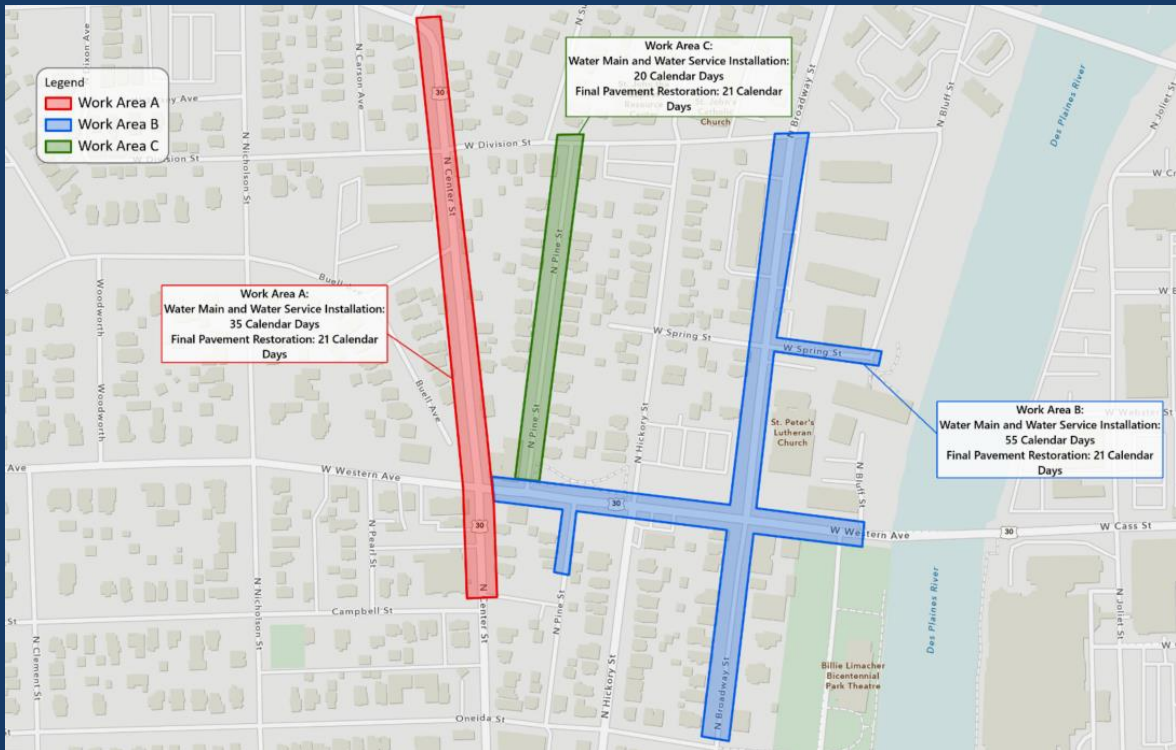

Final Completion: 90 days

Expected Lead Service Lines

City will complete pH testing and sign LPC-662

# Project Review – Bid Group 1

## Broadway, Center, and Western

7,500 feet of 8" – 12" DI

Estimated Notice to Proceed: 7/1/24

Substantial Completion: 90 days

Final Completion: 120 days

Expected Lead Service Lines

Soil boring logs and signed LPC-663 included in appendices

Work within IDOT ROW; Detour required; Bond amount not yet determined

Sequencing at pressure zone boundary

# Project Review – Bid Group 1

## Plainfield Road (Theodore to Black)

10,100 feet of 6” – 12” DI Water Main  
950 feet of 15” Sanitary Sewer

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 120 days

Final Completion: 150 days

Expected Lead Service Lines

Signed LPC-663 included in appendices

Work within IDOT ROW. Detour required;  
Bond amount not yet determined

Bypass pumping required for sanitary  
sewer work

# Project Review – Bid Group 1

## Spring Creek Phase 1

14,700 feet of 6” – 16”, DI or PVC

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 180 days

Final Completion: 210 days

Expected Lead Service Lines

Soil boring logs and signed LPC-663 included in appendices

Work within IDOT ROW. Detour required; Bond amount not yet determined

Three creek crossings

Rear yard service abandonments

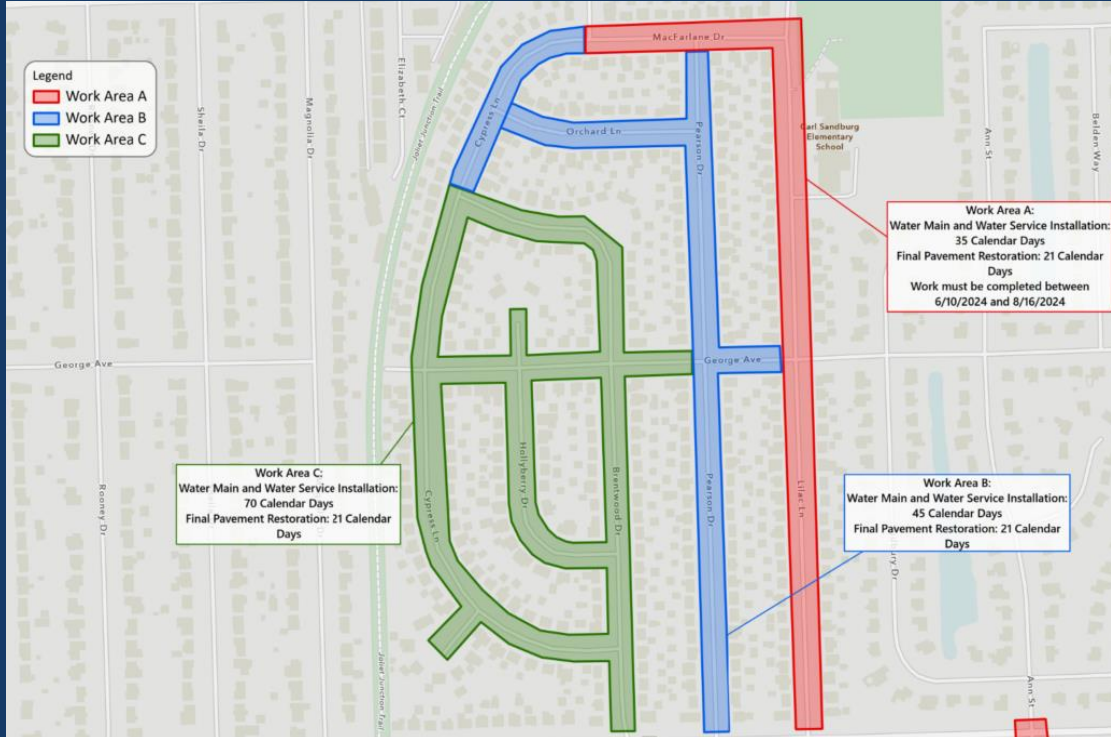

## Project Review – Bid Group 2

Project	Last Day for DBE Ads	Last Day for Questions	Bid Opening	
Bridal Wreath Acres	November 19	November 30	December 5	10:00 AM
Forest Park Phase 3	November 19	November 30	December 5	2:00 PM
Hickory Creek East	November 20	November 30	December 6	10:00 AM
Idylside	November 20	November 30	December 6	2:00 PM
Parkview North	November 21	November 30	December 7	10:00 AM
Varnado Park Area	November 21	November 30	December 7	2:00 PM

# Project Review – Bid Group 2

## Bridal Wreath Acres

14,600 feet of 6” – 8”, DI or PVC

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 150 days

Final Completion: 180 days

City will complete pH testing and sign LPC-662

Coordinate Work Area A sequencing with school

Coordinate schedule/sequencing with 2024 Sanitary Sewer Rehabilitation Contractor

# Project Review – Bid Group 2

## Forest Park Phase 3

13,800 feet of 6” – 16”, DI or PVC

Estimated Notice to Proceed: 6/1/24

Substantial Completion: 120 days

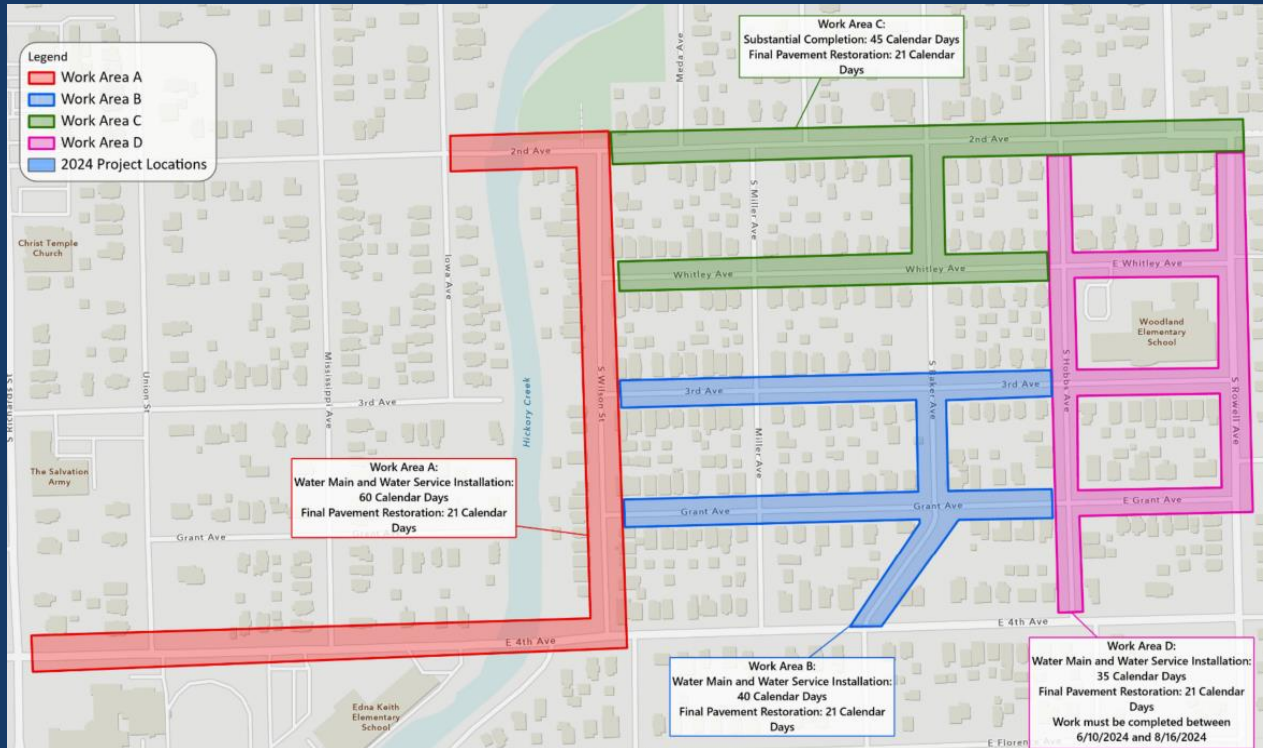

Final Completion: 150 days

City will complete pH testing and sign LPC-662

Five crossings below 30-inch transmission main

# Project Review – Bid Group 2

## Hickory Creek East

14,200 feet of 8” – 16”, DI or PVC

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 180 days

Final Completion: 210 days

Expected Lead Service Lines

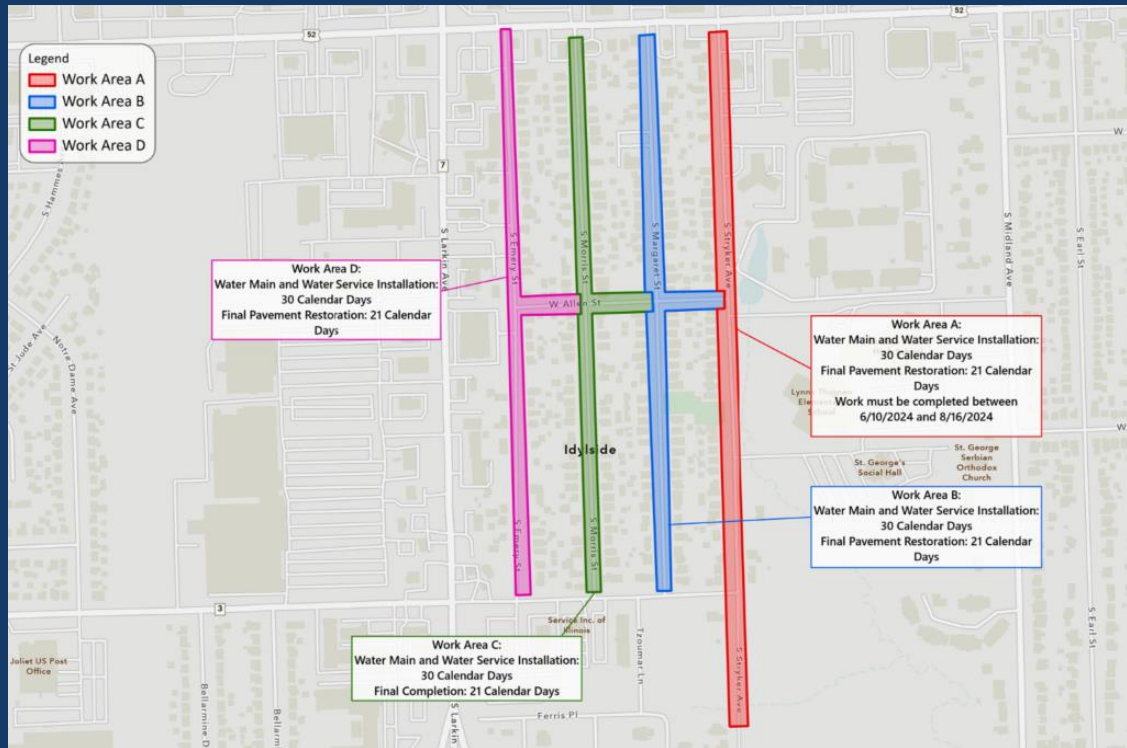

Soil boring logs and signed LPC-663 included in appendices

Two creek crossings

Sequencing at pressure zone boundary

# Project Review – Bid Group 2

## Idylside

12,600 feet of 8” – 16”, DI or PVC

Estimated Notice to Proceed: 5/1/24

Substantial Completion: 120 days

Final Completion: 150 days

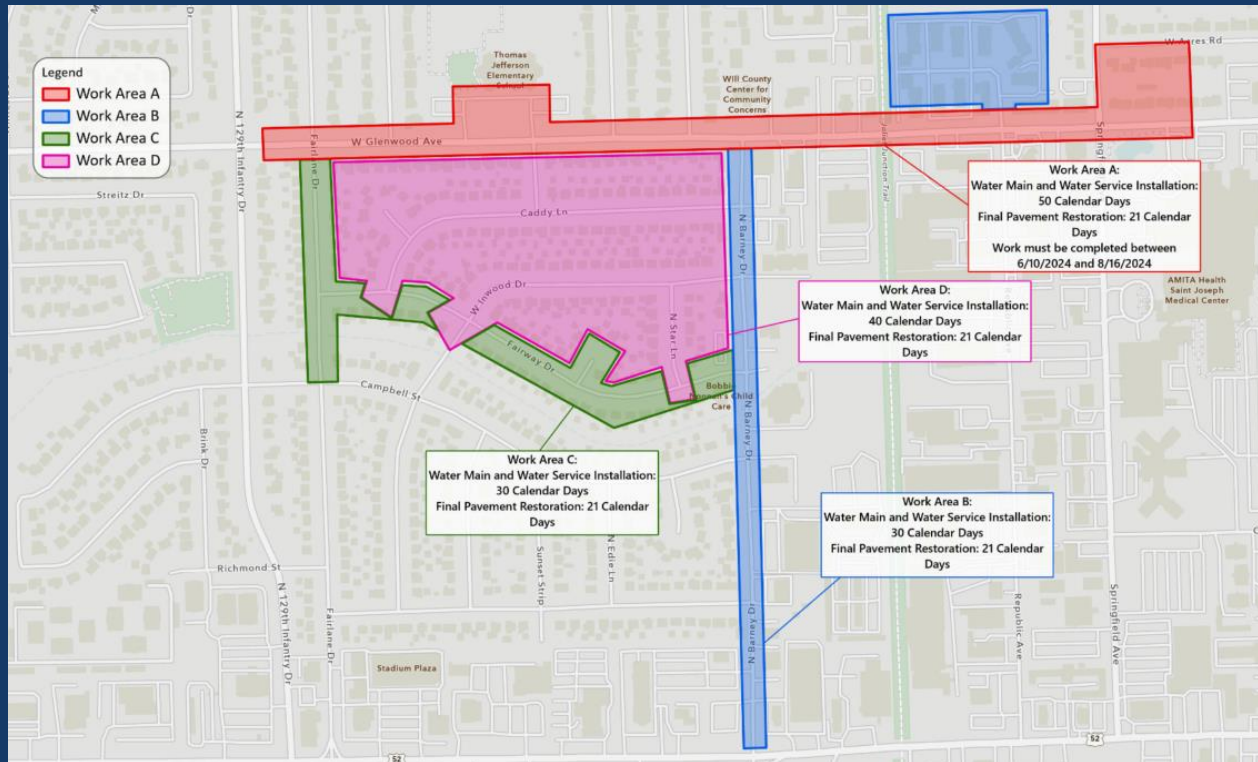

Expected Lead Service Lines

City will complete pH testing and sign LPC-662

Coordinate sequencing with school

# Project Review – Bid Group 2

## Parkview North

15,300 feet of 6” – 16”, DI or PVC

Estimated Notice to Proceed: 4/1/24

Substantial Completion: 150 days

Final Completion: 180 days

City will complete pH testing and sign LPC-662

Two creek crossings

Coordinate sequencing with school

Rear yard service abandonments

# Project Review – Bid Group 2

## Varnado Park Area

8,100 feet of 6" – 12", DI or PVC

Estimated Notice to Proceed: 7/1/24

Substantial Completion: 90 days

Final Completion: 120 days

Expected Lead Service Lines

Soil boring logs and signed LPC-663 included in appendices

Includes storm sewer installation

## Project Review – Bid Group 3

Project	Last Day for DBE Ads	Last Day for Questions	Bid Opening	
Black Road Acres Phase 2	November 26	December 7	December 12	10:00 AM
Burr Oaks	November 26	December 7	December 12	2:00 PM
