CITY OF JOLIET 2024 BUDGET

The City of Joliet derived its name from the French-Canadian explorer, Louis Joliet, who visited the area in 1673.

“**Juliet**” was incorporated by an act of Legislature as a village in the year 1837, and was governed by a president and board of trustees till 1841, when by an act of the Legislature the village charter was repealed and the trustees resigned, leaving Juliet without an organization till June 19, 1852, at which time the city of Joliet was incorporated by an act of the Legislature. The act of incorporation was approved by the electors July 5, 1852 by a vote of 168 for, 133 against.

The first set of ordinances for the government of the city were adopted August 20, 1852.

In the year 1857, a new charter for the city of **Joliet** was passed by the State Legislature, which remained in force (with some minor amendments) until August 5, 1876, at which time by a vote of the city the general Act to provide for the incorporation of cities and villages, approved April 10, 1872, and in force July 1, 1872, was adopted by a vote of 1076 for, 307 against.

The charter for 1857 and ordinances were published in book form in the year 1863, and was again published in the year 1869.

On the 27th of April, 1877, the general incorporation act adopted August 5, 1876 together with a revision of the ordinances, was published in book form.

The city encompasses approximately 63 square miles and is 39 miles southwest of Chicago. Census population reports have been: 1970 – 78,827; 1980 – 77,956; 1990 – 76,836; 2000 – 106,221; 2009 Special Census – 152,812; 2016 Special Census – 149,386 The City’s population was 147,433 per the 2010 Census and 150,362 per the 2020 Census.

As a home rule city under the 1970 Illinois Constitution, the City has no general obligation debt limit. In addition, it is not required to seek referendum approval for the issuance of bonds and has no statutory tax rate limitations for any purpose.

The City operates under a council manager form of government with five council persons elected from districts, a Mayor, and three council persons elected at-large, and an appointed City Manager. In the capacity of administrative head of the City, the Manager supervises the performance of approximately 1,010 full and part time municipal employees. The Joliet Municipal Building (150 W Jefferson, Joliet, Illinois, 60432) houses the administrative offices of the City. The City has a class III fire insurance rating, among the best ratings in the State of Illinois. The City provides trash removal and disposal and recycling services through a private contractor. The City operates a water supply and distribution system and sanitary sewer system.

JOLIET, ILLINOIS 60432-4158**

DATE: November 21, 2023

TO: The Honorable Mayor and City Council

FROM: Kevin Sing, Director of Finance

SUBJECT: TRANSMITTAL OF THE PROPOSED BUDGET FOR 2024 FISCAL YEAR

Pursuant to Ordinance No. 17025, of the City of Joliet Code of Ordinances, there is transmitted, herewith, a recommended budget for the Fiscal Year (FY) 2024, beginning January 1, 2024.

The Budget Officer System was adopted November 12, 2012 as allowed by Section 8-2-9.1 of the Illinois Municipal Code (65 ILCS 5/8-2-9.1). Under the Budget Officer system the City Manager is responsible to prepare each year the annual budget in time for consideration and enactment by the City Council during the last quarter of the fiscal year. The Annual Budget shall contain actual or estimated revenues and expenditures for the two years preceding the fiscal year for which the Annual Budget is prepared. The Annual Budget shall be adopted by the Mayor and City Council before the beginning of the fiscal year to which it applies.

The budget format provides a basis for a comparative analysis of expenditures and appropriations by Fund, Activity, Department, and line item classification.

The financial structure of the City of Joliet is made up of a number of funds. Twenty-seven of these funds are classified as active, operational, debt service or capital outlay and are presented in this budget.

The basis of accounting for budgeting is described for all funds and is the same basis used in the audited financial statements.

Other funds of the City can be characterized as trust and agency funds and may be excluded from primary budget consideration.

The 2024 budget was developed to address short term goals without losing sight of our long-term goals as provided in our strategic plan adopted in 2014 and our Downtown Development plan adopted in 2016. The 2024 budget addresses the following short- and long-term goals:

- 1) Opening Chicago Street – An amount of \$9,646,325 is expected to be spent in 2024 in the for the reconstruction of Chicago Street. This project also includes the installation of decorative streetscapes elements and a plaza for events. This project was the number one recommendation in the Downtown Development Plan.
- 2) Funding for Rialto Theater – Funding for a \$475,000 grant to the Will County Metropolitan and Auditorium Authority (Rialto Theatre) is included in the 2024 budget. This grant is to fund capital improvements at the Rialto Theatre, preserving the historic elements and ensuring its successful continues operation. The Downtown Development Plan indicated that a vibrant theater is necessary for the continued improvement of the downtown.
- 3) Evergreen Terrace (Riverwalk Homes) – The City took possession of the housing complex known as Evergreen Terrace in 2017. City Council voted on September 4, 2018 to Maintain 177 units on the property and to vacate 179 units. The Evergreen Terrace Fund has \$10,000 budgeted for professional services however the Evergreen Terrace Fund will have a negative fund balance of over \$6 million. This amount is expected to be paid back from proceeds of running the complex.
- 4) Unassigned General Fund Balance – The City adopted a budget adding \$103,283 to unassigned fund balance. Unassigned Fund Balance is expected to be 31.4% or 114.6 days of operating expenditures in the General Fund. The Strategic Plan states that the goal is to have two months of expenditures or 16.67% of unassigned fund balance in all funds.
- 5) Capital Projects and Equipment – Beginning with the 2024 Fiscal Year, the City has allocated gaming revenues as a dedicated funding source for capital projects and equipment. Department requests for capital items were over \$35. million. The City Council approved \$33,428,325 in expenditures. The Capital Projects Funds includes:
 - a. \$22,975,000 for Roads and Sidewalks.
 - b. \$14,146,325 for the City Square and Chicago Street Project
 - c. \$7,645,000 for the purchase of 50 vehicles
- 6) State of Illinois Budget – The State of Illinois’ budget runs through June 30, 2024. If the State adopts a budget for 2024-2024 that reduces the City’s revenues, then the budget might need to be amended.
- 7) Continue Economic Development – The City continues to attract commercial and industrial project. This success can be seen with building permit revenue of \$4.2 million, increased sales tax revenue of \$900,000 and projected increases in total property values.

- 8) Property Values – Equalized Assessed Value (EAV) is a measure of the City’s real property value. The EAV is a statistic used to compute property taxes. It is estimated that the EAV will increase 8.5%. The increase in property values indicates a strong real estate market.

The 2024 proposed budget recommends expenditures of \$642,592,768, an increase of 2% from the 2023 amended budget of \$629,780,590. Revenues are expected to increase from \$452,001,046 in 2023 to \$531,124,552 in 2024 (a 17.5% increase).

The 2024 budget is the first budget that sets money aside to prefund retiree’s health care. For 2024 the City transferred \$16 million into the fund. While Retiree’s health care is still primarily funded on a "pay as you go" basis, the City is investigating options to provide annual funding to reduce the unfunded liability. The unfunded liability for members was estimated to be \$606,322,473 based on an actuarial study as of January 1, 2023.

The proposed budget includes an overall property tax levy for the City of \$52,304,780, an increase of 15.12% or \$6,871,744 from FY 2023. The proposed levy for the library for operating purposes is 3% higher than 2023 (\$6,329,670).

GENERAL FUND

The City's General Fund contains the budgetary and financial controls for all the City's activities and functions, which are not, accounted for in other specialized funds, which contain restrictions on the usage of the fund's assets, mandated by City Ordinance, State Statute, or bond covenants. This fund contains budgets for all Operating Departments. The General Fund uses the modified accrual basis of accounting for budgeting, which recognizes revenue when it is both measurable and available. Expenditures are recognized when the liability is incurred.

The budget recommended for the General Fund in FY 2024 includes an increase to fund balance of \$103,283 resulting in an ending unassigned fund balance of \$69,296,346. A balanced budget is when operating revenues plus use of reserves equal operating expenditures. The recommendation leaves our unassigned fund balance at 31.4% of expenses.

The total proposed appropriation for the General Fund is \$220,579,753 – an increase of \$295,877 over the FY 2023 budget appropriation of \$220,283,876.

The total proposed revenue for the General Fund is \$220,683,036 a decrease of \$71,639 from 2023 budgeted revenues of \$220,754,675. The estimated Unassigned Fund Balance of \$69,399,628 at the end of FY 2024 is expected to be 31.4% of revenues, which is above our minimum goal of 20.00%.

The largest expenditures in the General Fund are Wages and Fringe Benefits. The chart below illustrates personnel costs as a percentage of total budget:

The notable items in the General Fund by department can be summarized as follows:

REVENUE – Gaming revenue has been moved to the Capital Projects Fund to provide a dedicated source of funding for capital purchases.

Revenue from building permits is budgeted to decrease 23.57% from 2023 budget (\$5,495,000) to 2024 (\$4,200,000) due to the real estate market slowing down in the City.

Interest income is expected to increase to \$1,450,000. This is a reflection of the Federal Reserve raising short term interest rates.

Municipal Waste fees are expected to increase \$523,600 in FY 2024 due an increase in user fees.

Hotel and Motel tax is budgeted to increase \$400,000 from the budgeted amount of \$4,200,000 in FY 2023. The increase is expected as our hotel industry recovers from the pandemic.

Ambulance service fees are expected to decrease \$950,000 from \$11.95 million in 2023 to \$11.00 million in 2024.

HUMAN RESOURCES – Expenditures are expected to increase in this department by \$149,757 from the 2023 budget. This is due to an increase in property and liability insurance.

The 2024 budget includes a Compliance Division (\$76,312) created in 2023.

An amount of \$858,236 is included for funding contributions to the Illinois Municipal Retirement Fund (IMRF). The City must fund payouts (vacation, sick and compensatory time) upon an employee's retirement.

Repairs for the ballpark are \$275,000. Total ballpark expenditures are estimated to be \$450,000.

The City's costs for garbage collection are expected to be \$14,420,000, an increase of \$1,320,000 from 2023, due to contractual obligations. The City is in the seventh year of a 10-year contract with Waste Management for garbage collection.

An amount of \$200,000 is included in the 2024 budget to fund an appraisal of the City's assets.

FIRE – Expenditures in the Fire Department are budgeted to increase \$4,031,258 from the 2023 budget due four new employees (2 Deputy Fire Chiefs, 1 FAO/Paramedic and 1 Licensed Clinical Social Worker) and increased pension costs.

Increase in pensions (\$1,399,927) is included for the fire department. This is due to lower than expected performance of the pension systems in 2022.

Overtime at \$2,487,310.

LEGAL – Professional Services and Contractual Services for Legal is budgeted for \$1,020,000 in 2024, a

An amount of \$455,000 is included to have a study done on the staffing level of the department.

Contractual Services is budget to increase \$932,123 due to increased costs of body worn cameras paid to Axon Inc.

Funding for one additional Civil Engineer, two Maintenance Workers and one Plumber is included in the 2024 budget.

WORKERS COMPENSATION FUND

Workers compensation insurance is used to cover payments to individuals who are injured while performing their duties as an employee. This Fund was created for the 2024 budget. Expenditures were charged to the Human Resources Department prior to 2023. The Workers Compensation Fund uses the current financial resources measurement focus and the modified accrual basis of accounting for budgeting which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The total appropriation for the Workers Compensation Fund is \$3,275,000.

EMPLOYEE AND RETIREE BENEFITS FUND

The City's Employee and Retiree Benefits Fund contains revenue and expenditures for the City's hospitalization, dental, life, vision, and preventative care insurance. This Fund was created for the 2024 budget. Expenditures were charged to the Human Resources Department prior to 2023. The Employee and Retiree Benefits Fund uses the current financial resources measurement focus and the modified accrual basis of accounting for budgeting which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The total appropriation for the Employee and Retiree Benefits Fund is \$33,171,250.

SPECIAL REVENUE FUNDS

Special Revenue Funds are maintained to account for specific revenue sources that are legally restricted to expenditures for specific functions or activities. The legal restrictions are imposed by State Statute or Constitution, City Council Resolution or City Charter. Special Revenue Funds use the modified accrual basis of accounting for budget purposes, which recognizes revenue when it is both measurable and available. Expenditures are recognized when the liability is incurred. The Special Revenue Funds budgeted are:

MOTOR FUEL TAX FUND:

The Motor Fuel Tax Fund is used to finance the construction of the City's streets. Motor Fuel Tax Law (35ILCS 506/) restricts these funds to the construction and maintenance of the City's streets.

GRANTS AND SPECIAL REVENUE FUND:

The Grants and Special Revenue Fund is used to account for the following grants:

I80 at Houbolt Road - \$9,520,213 is allocated to fund the infrastructure at I80 at Houbolt Road as part of the Rock Run Crossings Project (Cullinan Properties).

Tri-County Auto Theft Elimination Grant is budgeted for \$1,645,000.

SPECIAL REVENUE REVOLVING FUND:

The Special Revenue Revolving Fund is used to account for funds received for restricted purposes. An appropriation of \$466,200 is recommended.

FOREIGN FIRE TAX FUND:

The Foreign Fire Tax Fund is funded by a surcharge put on insurance policies by insurance companies who don't have a presence in the State of Illinois. Expenditures are limited to purchases for the fire department. An appropriation of \$228,000 is recommended.

EVERGREEN TERRACE FUND:

This fund is used for the tracking of expenditures for the housing development commonly known as Evergreen Terrace (or Riverwalk Homes). The City won a lengthy court battle to purchase the development and took possession in 2017. The budget recommends an appropriation of \$10,000 for professional services. The negative fund balance of \$6,063,414 in this fund is budgeted and expected to be reimbursed over the next 17 years from proceeds of running the complex.

TAX INCREMENT FINANCING FUND #6 – SILVER CROSS:

The City’s TIF Fund #6 (Silver Cross Redevelopment Project Area) was established to encourage economic

development, attract private investment, create new employment opportunities, rehabilitate dilapidated or obsolete structures, create additional housing opportunities, and to improve public services and facilities around Silver Cross Hospital. An appropriation of \$4,000 is recommended.

TAX INCREMENT FINANCING FUND #7 – ROCK RUN CROSSING:

The City’s TIF Fund #7 (Rock Run Crossing) was established to facilitate the construction of a divergent diamond interchange and a development by Cullinan Properties that includes multiple projects including the construction of a casino. An appropriation of \$44,890,025 is recommended.

BUSINESS DISTRICT FUND:

The City’s Business District Fund was implemented pursuant to the *Business District Development and Redevelopment Act* for the purpose of creating a Business District to develop, redevelop, improve, maintain, and revitalize areas that have deteriorated and will continue to deteriorate causing a serious menace to the health, safety, morals, and general welfare of the people of the City. The City has created two Business Districts: Lenny’s Route 66 Food N Fuel and Mickey Oil Company. An appropriation of \$100,000 is recommended.

DEBT SERVICE FUND

The Debt Service Fund was established by bond covenants to account for the recording of the collection and expenditures of resources earmarked for the retirement of debt issued directly by the City. Debt Service Funds use the modified accrual basis of accounting for budgeting, which recognizes revenue when it is both measurable and available. Expenditures are recognized when the liability is incurred.

The City has budgeted \$5,686,075 for general obligation debt in FY 2024. The three outstanding bonds will be reimbursed from alternate sources.

ENTERPRISE FUNDS

The City operates two Enterprise Funds, which accounts for the operation of the Water and Sewer System and Parking Operations. The funds are financed and operated in a manner similar to a private enterprise. The intent is that costs (expenses, including depreciation) of providing water and sewer services and parking to the general public are recovered through user charges. The fund uses full accrual accounting for budget purposes, which is based on Generally Accepted Accounting Principles (GAAP) and follows accounting and financial activities prescribed by the Financial Accounting and Standards Board (FASB) as long as it does not conflict with the Government Accounting Standards Board (GASB) guidance.

WATER AND SEWER FUND:

The appropriation for the Water & Sewer Fund is proposed to be \$74,250,346. This budget includes an increase in Water rates of 17.25% and Sewer rates of 6.0%.

Recommended in the Water & Sewer Fund is \$24,665,000 in capital improvements that includes replacement of the water mains and the repair of sewers.

PARKING OPERATIONS FUND:

The appropriation for the Parking Operations Fund is proposed to be \$1,601,282, an increase of \$100,495 over the FY 2023 appropriation. Operating revenues are \$776,224 less than operating expenditures.

Deficit will continue until revenues return to previous year’s levels.

Plan for Parking System needs to be developed in 2024 for long-term stability.

CAPITAL PROJECT FUNDS

Capital Project Funds are used to account for financial resources to be used for the acquisition of major capital facilities. Capital Project Funds use the modified accrual basis of accounting for budgeting that recognizes revenue when it is both measurable and available.

PERFORMANCE BOND FUND:

The appropriation in the Performance Bond Fund is \$3,447,313. The City holds money on account for developers and construction firms that are awarded contracts. The funds are held in escrow until the projects are complete. If the projects are completed successfully the funds are returned to the depositor. The funds are used to complete the project if the work is not completed successfully.

CAPITAL PROJECTS FUND:

Chicago Street Plaza - \$9,646,325 is allocated for improvements to the Chicago Street Plaza. This is partially funded by a \$3,000,000 grant.

Gaming revenue, which includes wagering tax and admissions tax is expected to decrease \$2,411,000. The peak of Gaming revenue was in 2007 in the amount of \$36.2 million. The total budgeted for casinos in FY 2024 is \$13.2 million.

The City Council approved \$33,428,325 in expenditures.

BUDGET PHILOSOPHY - UNDERSTANDING SOLVENCY

Any municipal budget can be analyzed in terms of solvency. The four relevant types of solvency are:

- Cash Solvency:** Having adequate money on hand to pay expenses.
- Budget Solvency:** Estimated budgeted revenues being adequate to finance the budgets' appropriations and programs.
- Long Range Solvency:** The municipality having the tools to finance its services on a perennial basis.
- Service Delivery Solvency:** The funds budgeted for expenses are adequate to meet the demand for services.

CASH SOLVENCY

Historically, Joliet has always been cash solvent. Cash insolvency occurs when a city has a repeated history of budget insolvency - leading to long-range insolvency. This budget, as presented, is cash solvent. The amount of cash we have is directly proportional to unassigned fund balance.

BUDGET SOLVENCY

The proposed Fiscal Year 2024 budget does meet the test of budget solvency. Operating expenditures are less than operating revenues.

LONG-RANGE SOLVENCY

As the professional nature of this document attests - we are managing our resources. The increase in taxable value of property and the increase in building permits and development fees are evidence that the City has rebounded from the economic downturn which began in 2008. The turnaround can increase our long-range solvency.

SERVICE DELIVERY SOLVENCY

This budget contains appropriations for all anticipated expenditures. Services are not reduced. This budget meets the basic service needs of the City for the next twelve months.

DISCUSSION

Thanks to Director of Finance, Kevin Sing, Department Heads, and the finance staff for their production of the budget document. This budget will be submitted for the Distinguished Budget Presentation Award from the Government Finance Officers Association. The City received this award for its 2023 budget for the sixth year.

I look forward to working with you, staff, and the citizens of Joliet for another year of change, challenge, and opportunity.

Respectfully submitted,

Kevin Sing
Director of Finance

2024 Budget
Budget Procedures

BUDGET PROCEDURE

The City operates under the “Budget Officer” system governed by Section 8-2-9.1 through 8-2-9.11 of the Illinois Municipal Code (65 ILCS 5/8-2-9-1) and Ordinance No. 17025 of the City of Joliet.

Under this system, the Annual Budget serves as the legal appropriation enactment on which property taxes can be levied and expenditures can be made. The Annual Budget must be approved by the Mayor and City Council, after a public hearing, prior to the fiscal year it covers. The procedure followed is for the Mayor and City Council to publish the proposed Annual Budget by taking action at a regular Council meeting indicating that the proposed budget is on file with the City Clerk and available for public inspection. This action must be taken at least 10 days prior to the passage of the Budget. Not less than one week after the publication of the budget, a public hearing on the Budget must be held after 7 days publication notice. The 2024 Budget Public Hearing was held on October 17, 2023

In addition to the Annual Budget process, Section 8-3-1 of the Illinois Municipal Code (65 ILCS 5/8-3-1) also requires the adoption of the City’s annual general levy ordinance no later than the last Tuesday of December. The 2023, collected in 2024, Tax levy was adopted on October 17, 2023.

The levy deadline also applies to all special service levies extending Assessed Value based special taxes through the County administered property tax billing system. This would include the City Center special service area and the detention pond special service area. All special service areas are covered by the Annual Budget so that the levy is based on a valid appropriation.

In addition to the Annual Budget and the general levy procedures, Section 18-60 of the Truth in Taxation Act (35 ILCS 200/18-55 et seq.) requires that a good faith estimate of the amount of the annual levy be made by the corporate authorities at least 20 days prior to the adoption of the annual levy ordinance. If this estimate exceeds 105% of the prior year’s levy, exclusive of debt service levies, then the City must hold a public hearing prior to adopting the annual levy ordinance. The City must give 7-14 days advance notice of the hearing by publication in a newspaper published in each county in which the municipality is located. The City held its truth in taxation public hearing on October 17, 2023.

BUDGET DOCUMENT

Ordinance Number 17025 Section 2-463 states that the budget document present a financial plan for the ensuing fiscal year and shall contain the following:

- A. Estimates of proposed revenues available to the City for the fiscal year for which the budget is drafted and actual revenues for the two years immediately preceding the fiscal year for which the Annual Budget is prepared.
- B. Recommended expenditures for the City and all of the City’s departments, commissions, and boards for the fiscal year for which the budget is drafted and actual expenditures for the two years immediately preceding the fiscal year for which the Annual Budget is prepared.

D. Specific funds from which each anticipated expenditure shall be made.

BUDGET APPROPRIATION AND AMENDMENTS

The City budget is adopted by the City Council on an activity or departmental basis. The City Manager is authorized by Budget Resolution to make budgetary transfers within the appropriation centers established through the budget. All transfers between appropriation centers may be made only by further action by the City Council.

The Council may make additional appropriations during the fiscal year for unanticipated expenditures required of the City, but such additional appropriations shall not exceed the amount which actual and anticipated revenues of the year are exceeding the revenues as estimated in the budget, unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety. The City Council may also reappropriate funds among appropriation centers. City Council is apprised of the budget status through monthly reports prepared by the Finance Department.

**City of Joliet
Sales/Amusement Tax Rebates and
Recapture Fees (Raceway Associates)
As of December 31, 2022**

Route 66 Raceway LLC

In 1997 the City of Joliet annexed 253.5 Acres for a Motorplex Development that became the Chicagoland Speedway. As part of the development the Developers (Raceway Associates) were required to do four separate improvements. The City agreed (Ordinances 15444, 15445, 15446 and 15447) to reimburse the developer the cost of the improvements by levying a \$1.00 Amusement Tax on each ticket sold and rebate the tax to the developer. The City also agreed to charge a Recapture Fee on any development that occurred on any property not used by the Speedway and rebate the fee to the developer. The status of each agreement can be summarized as follows:

FIRE DEPARTMENT

CITY OF JOLIET

Fire Department

OVERVIEW

The Joliet City Charter adopted in 1852 states the City Council shall have the power and authority “To provide for the prevention and extinguishment of fires, and to organize and establish fire companies”. Chapter IX of the City Charter adopted in 1857 sets forth the duties and rules of the Fire Department and states the common council shall, “Prescribe the duties of firemen, and to make the rules and regulations of their government”. Ordinance 4142 adopted July 19, 1955, states, “There is hereby created and established a Fire Department for the City consisting of the Fire Chief, who shall be Director of the Department, and such other members as may be provided for by the Council. It shall be the function and duty of the Fire department and every member thereof to extinguish accidental or destructive fires, to prevent the occurrence and spread of such fires”.

Our Mission is to protect and enhance the quality of life in our community through education, active intervention, innovative prevention, and professional response.

The Joliet Fire Department will be a progressive community orientated organization that leads the community in public safety through strong outreach and education programs. We will maintain aggressive, offensive firefighting tactics, provide advanced emergency medical services and environmental protection.

POLICE DEPARTMENT

CITY OF JOLIET

Police Department

OVERVIEW

The Joliet City Charter adopted in 1852 states the City Council shall have the power and authority to “regulate the police of the city, to impose fines and forfeitures and penalties or the breach of any ordinances, and to provide for the recovery and appropriation of such fines and forfeitures and the enforcement of such penalties”. Ordinance 4142 adopted July 19, 1955, states, “The Police Department shall consist of the Chief of Police, who shall be Director of the Department, and other members and officers as may be provided for from time to time by the City Council. The Chief of Police shall be appointed by the City Manager, subject to the Council’s approval”. On November 5, 1963, Section 33-1 of the code of ordinances was changed to read, “There is hereby established a department of municipal government of the city, which shall be known as the police department, and which shall consist of a chief of police and such other positions as may be provided for by the City Council in the appropriation ordinance”.

Ordinance 4142 states, “It shall be the duty of the members of the Police Department to see to the enforcement of all city ordinances of the City, and all statutes effective in the City, and to preserve order and prevent infractions of the law and to arrest violators thereof. Every member of the Police Department is hereby declared to be a conservator of the peace”.

EXPENDITURES

Expenditures are expected to increase in this department by \$4,625,583 from the 2023 budget. This is due to increased costs for salaries and benefits for current employees and the costs for a staffing survey.

FY 2023 ACCOMPLISHMENTS

Updated the Livescan (fingerprinting) hardware and software at both stations due to the previous system being approximately twenty years old. This update completely revamped the previous version and gave additional functionality such as booking an arrestee remotely instead of at the station if warranted.

Implemented the Connect and Protect Referral Program funded through a grant by the US Department of Justice, BJA. This program helps law

enforcement responses to mental health calls for service by officers identifying individuals in need while on a call for service and referring them to programs that can be of assistance. Cornerstone Services is working in collaboration with the police department to assist individuals seeking assistance.

Purchased multiple UAVs to supplement patrol, investigations, Traffic, and the SOS unit in search and rescue, crash investigation, and emergency operations.

Purchased and issued breaching equipment for all squads to be used in active shooter-type situations where barricaded or locked entrances would prevent quick entry to address the immediate threat.

PERFORMANCE OBJECTIVES: FY 2024

Implement the Illinois Law Enforcement Accreditation Program (ILEAP) to create another level of department compliance for policy and procedures. ILEAP oversees and governs at the state level, which is comprised of an independent, authoritative body.

Continue to train and implement IAPRO Blue Team fully throughout the department which will give supervisors more information to supervise and hold officers accountable.

Continue to update Investigation Division technology to assist in solving crimes. Acquire seven additional detectives to help reduce caseload concerns and improve efficiency within the division.

Increase police staffing levels to 286 officers by filling the open and allotted positions.

Increase staffing in the Neighborhood Orientated Policing Team to allow for two-person units in the St. Pat’s area, the far west area, Benton and Garnsey (new area), and a new one-person unit in the Reedswood area.

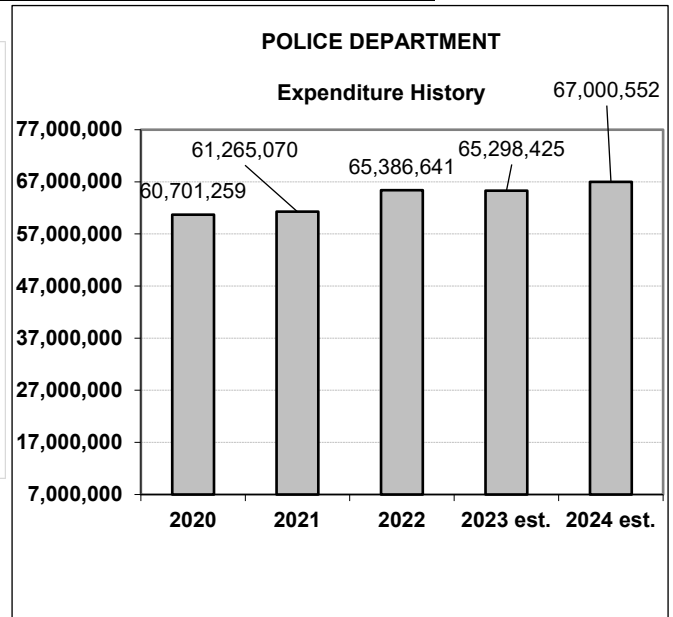

Increase staffing of Truck Enforcement Officers to address the increased commercial traffic on the city’s roadways.

Increase Public Safety Dispatchers’ staffing levels by filling the open and allotted positions.

Continue to deploy NARCAN to our officers to fight the ongoing opioid epidemic within our city.

Water and Sewer Fund

OVERVIEW

The Water and Sewer Fund is an Enterprise Fund. The fund is financed and operated in a manner similar to a private enterprise. The intent is that costs (expenses, including depreciation) of providing water and sewer services to the general public are recovered through user charges. The fund uses full accrual accounting based on Generally Accepted Accounting Principles (GAAP) and follows accounting and financial activities prescribed by the Financial Accounting and Standards Board (FASB) as long as it does not conflict with the Government Accounting Standards Board (GASB) guidance.

The City's water supply is obtained from 21 deep wells and 5 shallow wells. Water is pumped from the ground and treated at the City's 11 water treatment plants. The existing water distribution system consists of 670 miles of watermain including 8,628 fire hydrants.

The City operates three wastewater treatment plants: the Eastside Wastewater Treatment Plant (placed in service in 1957), the Westside Wastewater Treatment Plant (placed in service in 1976) and the Aux Sable Creek Basin Wastewater Treatment Plant (placed in service in 2006). The wastewater collection system consists of 598 miles of combined and separate sanitary sewers.

Twelve activities comprise the Water and Sewer Fund Services: Customer Service, Utilities Administration, Plant Operations Administration, Aux Sable Treatment Plant, Eastside Treatment Plant, Water Services, Westside Treatment Plant, Water Field Operations, Sewer Field Operations, Field Operations Administration, Meter Repair, and Engineering Administration. Customer Service is administered by the Finance Department that includes collection and billing. All other functions are administered by the Public Utilities Department. The Public Utilities Department was created by Ordinance 15704, adopted in November, 2006, which states, "the Department of Public Utilities shall have administrative jurisdiction of the City public water

supply and City sanitary sewer and wastewater treatment systems".

Also in the fund is the activity for the 24 Illinois Environmental Protection Agency (IEPA) loan funds.

REVENUE ASSUMPTIONS

The FY 2024 budget recommends revenues in the Water and Sewer Fund of \$81.40 million. This is an increase from the 2023 Budgeted revenues of \$69.95 million due to a combined 11.48% increase in water and sewer rates.

Water and Sewer Sales

Residential and commercial water sales are expected to increase due to a 17.25% rate increase approved by City Council.

The proposed FY 2024 sewage disposal sales are also expected to increase due to a 6.0% increase in rates compared to FY 2023. Sales are expected to total \$35.96 million for FY 2024.

Interest Income

Interest income is expected to be \$3 million for Fiscal Year 2024. This is an increase from the 2023 budget amount of \$540,000.

Other Revenue

Other revenue consists of Sewer Surcharge (\$1,300,000), Water Tap On Fees (\$1,562,500), and Other Miscellaneous Fees (\$2.01 million).

EXPENDITURES

The total appropriation for the Water and Sewer Fund is \$74,250,346.

Water & Sewage Disposal

Personnel Services (Wages & Fringe Benefits) account for \$15.54 million of appropriated expenditures. Other large items include electricity (\$5.057 million), Professional and Contractual Services (\$9.024 million), Supplies (\$5.137 million), depreciation (\$15.4 million) and Debt, including IEPA loans (\$15.17 million).

PARKING FUND

OVERVIEW

The Parking Fund is an Enterprise Fund. An Enterprise Fund is used to report any activity for which a fee is charged to external users for goods or services. The fund is financed and operated in a manner similar to a private enterprise. The intent is that costs (expenses, including depreciation) of providing public parking are recovered through user charges. The fund uses full accrual accounting based on Generally Accepted Accounting Principles (GAAP) and follows accounting and financial activities prescribed by the Financial Accounting Standards Board (FASB) as long as it does not conflict with the Government Accounting Standards Board (GASB) guidance.

The Parking Fund is used to account for the revenue and expenses of the parking system in downtown Joliet. The public parking supply consists of 506 on-street metered spaces, two parking garages, and 10 parking lots.

REVENUE ASSUMPTIONS

The FY 2024 budget recommends revenues in the Parking Fund of \$825,058, an increase from the FY 2023 budget of \$86,270.

Rentals

The Parking Fund's main source of revenue is rents in the form of metered parking spaces, daily fees and parking passes. These rents are estimated to be \$775,882 an increase of \$47,964 over FY 2023 budgeted rents.

MOTOR FUEL TAX FUND

OVERVIEW

The City's Motor Fuel Tax Fund is a Special Revenue Fund that uses the modified accrual method of accounting and is used to control the expenditures of motor fuel taxes. The motor fuel taxes are earmarked, by law and the State Compiled Laws, for streets and highway purposes which are described in detail by the Illinois Highway Code.

The fund receives motor fuel tax revenues paid to Joliet and accounts for the construction, maintenance, and other authorized operations pertaining to all streets in the City.

The fund has been established to document that the City has complied with all legal provisions of Illinois Highway Code (605ILCS 5/) and the Motor Fuel Tax Law (35ILCS506/).

The City Engineer is responsible for street improvements, maintenance and traffic operations, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting. The Engineer represents the City in transactions involved with the Illinois Department of Transportation.

The Public Works Department is responsible for the upkeep of streets which includes winter maintenance, sweeping, routine maintenance, and traffic services.

REVENUE ASSUMPTIONS

The proposed budget recommends revenues in the Motor Fuel Tax Fund of \$6,393,881 for Fiscal Year (FY) 2024. This is an increase of \$243,881 from FY 2023 budget.

State Grants - Street

The State of Illinois shares revenue that is collected for Gas and Weight taxes. The amount of \$6,388,881 is an increase of \$288,881 due to increased gas tax by the State of Illinois.

Interest Income

Interest Income of \$5,000 is budgeted and is based on a 2.00% return on funds available for investment during the fiscal year. This amount is less than prior year's due to a lower cash balance than in 2023.

EXPENDITURES

The total appropriation for the Motor Fuel Tax Fund is \$24,570,000. This is a decrease of \$2,863,000 over the budgeted expenditures of \$27,433,000 in FY 2023. Expenditures are affected by any road projects that may be planned during the fiscal year but not completed.

FUND BALANCE

It is estimated that the City's Motor Fuel Tax Fund Balance will have a balance of \$101,689 at the end of Fiscal Year 2024.

PERFORMANCE OBJECTIVES

To maintain complete all budgeted projects.

Grants and Special Revenue Fund

OVERVIEW

The Grants and Special Revenue Fund is a Special Revenue Fund. Special Revenue Funds are maintained to account for specific revenue sources that are legally restricted to expenditures for specific functions or activities. The legal restrictions are imposed by State Statute or Constitution, City Council Resolution, Ordinance or City Charter. Special Revenue Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred. The following grants are accounted for in this fund:

MULTI MODAL PROJECT

In 2011 the City of Joliet joined with the State of Illinois, County of Will, RTA, Metra, Amtrak, Burlington Northern Santa Fe Railroad, and Union Pacific to undertake the planning and development of the Joliet Regional Multi-Modal Transportation Center (JRMMTC). The JRMMTC will serve as a "HUB" for numerous modes of transportation including Amtrak passenger rail, local mass transit, intercity bus, automobiles, intra-community and airport shuttles, taxis, as well as bicycles and pedestrians. The JRMMTC will be built and managed by the City of Joliet and is sustainably designed to serve local, regional, intrastate, state, and national needs.

NEIGHBORHOOD STABILIZATION PROGRAM

The Neighborhood Stabilization Program was established under the Housing and Economic Recovery Act of 2008 and administered by HUD. The program permits local governments to purchase abandoned and foreclosed homes and to redevelop them. Upon completion the homes will be conveyed to families with the greatest need

ROUTE 53 & EMERALD DRIVE

An amount of \$2,659,975 is budgeted in 2023 to enhance the crossroad of Route 53 and Emerald Drive.

ENGINEERING & CONSTRUCTION (HOUBOLT ROAD)

The City budgets to spend \$20,000,000 in 2023 on the Houbolt Road at I-80 project to be funded by a Federal Grant (\$28,440,000) and a local match (\$2,800,000). An amount of \$9,520,213 is budgeted in 2024 to complete this project.

TRI-COUNTY AUTO THEFT PREVENTION

An amount of \$1,645,000 is budgeted in 2024 to fund the tri-county auto prevention program. This program is an intergovernmental program to help recover and prevent auto theft in the area.

CITY OF JOLIET

Special Revenue Revolving Fund and Foreign Fire Tax Fund

OVERVIEW

The Special Revenue Revolving Fund and the Foreign Fire Tax Fund are Special Revenue Funds. Special Revenue Funds are maintained to account for specific revenue sources that are legally restricted to expenditures for specific functions or activities. The legal restrictions are imposed by State Statute or Constitution, City Council Resolution, Ordinance or City Charter. Special Revenue Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

SPECIAL REVENUE REVOLVING FUND

The Special Revenue Revolving Fund is used to account for funds received for a restricted purpose. These funds are restricted by Federal Guidelines, State Statute, covenant, or contract.

FOREIGN FIRE TAX FUND

The Foreign Fire Tax Fund is funded by a surcharge put on insurance policies by insurance companies who don't have a presence in the State of Illinois. Expenditures are limited to purchases for the fire department. This fund was created in 2015. Prior to 2015 revenues and expenditures were part of the General Fund.

CITY OF JOLIET

Debt Service Fund

OVERVIEW

Debt Service Funds are established by bond covenants to account for the recording of the collection and expenditures of resources earmarked for the retirement of debt issued directly by the City. Debt Service Funds use the modified accrual basis of accounting for budgetary purposes. The modified accrual basis of accounting recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois provides the legal authority for the City to incur indebtedness.

All debt issues are approved by the City Council. The payments for the 2020A debt is funded by a 3 cent tax on a gallon of gas. The payments for the 2020B debt are to be paid by the Library that received a grant from the State of Illinois for the improvements and the payments for the 2022 debt is to be paid from tax increment financing at Rock Run Crossings. Expenditures in this fund do not affect the general fund or other operations of the City.

Home rule units, including the City, are exempt from debt limitations.

The City currently has the following issues outstanding:

<u>Issue</u>	<u>Moody's Rating</u>
2020A Fleet	Aa2
2020B Library	Aa2
2022 Rock Run Crossing	Aa2

It is the goal of the City to maintain this

excellent bond rating and pursue an upgrade through sound financial practices.

On March 1, 1985 City Council officially adopted Ordinance Number 6237 establishing procedures to be followed in incurring indebtedness.

CITY OF JOLIET

Capital Projects Funds

Capital Project Funds are used to account for financial resources to be used for the acquisition of major capital facilities and equipment. Capital Project Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

Departments are instructed to request Capital items with their operating budgets. The City Manager recommends projects based on their need and affordability. The City Managers recommendation is then presented to City Council for their approval.

PERFORMANCE BOND FUND

OVERVIEW

The City's Performance Bond Fund is used to capture funds put on account by developers and construction firms that are awarded contracts by the City. These funds are held in escrow until the project is complete. The funds are returned to the depositor if the project is completed successfully. The funds are used to complete the project if the work is not completed successfully.

REVENUE ASSUMPTIONS

Revenue in the Performance Bond Fund is dependent on the number of deposits made by developers and construction firms. The amount of deposits is expected to be \$215,000.

EXPENDITURES

Construction and improvement costs of \$3,447,313 are planned for FY 2024 but will only be used if there is a default on a contract. Funds will be returned to the depositor if the contract is completed successfully.

PERFORMANCE OBJECTIVES

To return funds to depositors and avoid defaults on contracts.

CAPITAL PROJECTS FUND

OVERVIEW

The City's Capital Projects Fund is used to account for expenditures that will be capitalized and depreciated in the City's entity wide financial statements.

An acquisition is considered a capital project when there is a disbursement of money greater than \$25,000 which results in the acquisition of or addition to fixed assets with a useful life longer than one year.

REVENUE ASSUMPTIONS

Capital Projects are funded primarily with revenue received from the City's two casinos in the form of a Gaming Tax and an Admissions Tax, \$13,200,000 in 2024. Additional revenue in 2024 in the Capital Projects Fund comes from, a State Grant (\$3,150,000), interest revenue (\$80,000), an amount from Waste Management (\$100,000), and a transfer of (\$50,000) to reimburse this fund for artificial turf at the stadium.

EXPENDITURES

Construction and improvement costs of \$33,428,325 are planned for FY 2024.

Most Capital Expenditures in this fund are replacement items and not expected to affect future budgets.

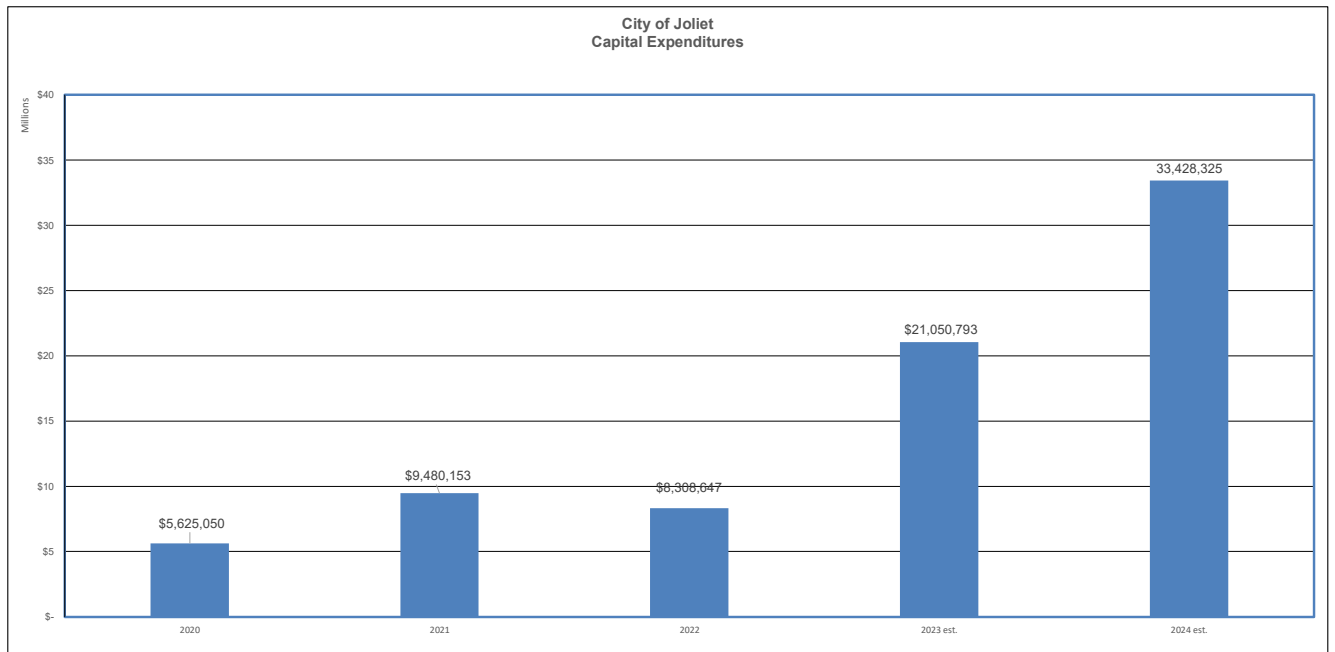

PERFORMANCE OBJECTIVES

To complete all budgeted projects.

Vehicle Replacement Fund

OVERVIEW

The Vehicle Replacement Fund is a Capital Project Fund. Capital Project Funds are used to account for financial resources to be used for the acquisition of major capital facilities and equipment. Capital Project Funds use the modified accrual basis of accounting for budgeting purposes which recognizes revenue when it is both measurable and available. Expenditures are recognized as soon as a liability is incurred.

The Vehicle Replacement Fund was established during the 2020 budget process to account for the purchase and replacement of vehicles in the City's fleet. The City Council approved the issuance of a \$4,000,000 bond (2020 Series A) to fund the initial purchases and implemented a 3-cent tax on a gallon of gas sold in the City.

REVENUE ASSUMPTIONS

It is estimated that \$2,150,000 will be provided by a 3-cent gas tax on a gallon of gas purchased in the City.

EXPENDITURES

Expenditures include the fourth year bond payment of \$430,700 (principal and interest). The 2020 series A bond will continue for 8 years with the final payment on December 15, 2030.

EXPENDITURES - VEHICLES

It is expected that the City will purchase \$2,500,000 in vehicle purchases in 2024.

FUND BALANCE

The Fund Balance is expected to be \$27,114 at the end of 2024.

SUBJECT:

Ordinance for the Levy and Assessment of Tax for the Fiscal Year Beginning January 1, 2023 and Ending December 31, 2023, In and For the City of Joliet, Will and Kendall Counties, Illinois

BACKGROUND:

Property tax revenue account for 23.6% of General Fund revenues. Unlike all other taxes where the City Council sets a rate, property taxes require that we set the amount each year. For 2023 (paid in 2024) property taxes, maintaining the same tax rate is estimated to generate \$58,634,449.57. This is a \$7,056,103 increase in revenue *without* increasing the tax rate. The increased revenue is due to increases in value from growth, improvements, and inflation. This additional revenue will be sufficient to make required pension contributions and fund a 3% increase for the Library.

Since the final assessed values are not available until after the deadline to file the levy with the Counties, the impact to the rate is an estimate. The ordinance contains a provision that requires the Director of Finance to make modifications to the levy should values come in lower than expected and the rate were to increase. If assessed values come in higher than expected, the rate will decrease.

	2022 Rate	2023 Levy Amount	2023 Rate
COJ Fire Protection	\$0.1529	\$6,909,685	\$0.1529
General Corporate		\$4,991,085	
Police Protection		\$6,907,262	
Police Pension		\$18,457,046	
Fire Pension		\$15,039,702

Total Levy		\$58,634,450	

RECOMMENDATION:

It is recommended that City Council approve the Ordinances for the Levy and Assessment of Taxes for the Fiscal Year Beginning January 1, 2023, and Ending December 31, 2023 in and for the City of Joliet; including the Joliet Public Library

Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning January 1, 2023, and ending December 31, 2023 in and for the Joliet Public Library, Will and Kendall Counties

BACKGROUND:

The Joliet Public Library has requested a property tax levy of \$6,329,670. This is a 3% increase (\$184,359) from last year's levy. Based on estimated property values, this levy is expected to result in a reduction of the tax rate for the library.

RECOMMENDATION:

The outcome of this vote will determine the amount that will be included in the City's Property Tax Levy Ordinance for the Library. That ordinance is the next item on the agenda.

In 2016 the special service area was extended for a period of 10 years and the geographic area expanded. The funds generated from this SSA will continue to be used to market and encourage business expansion and retention in the downtown area. The existing maximum tax rate of \$9.50 per \$100.00 of Equalized Assessed Value (EAV) was maintained for the 10 year extension. The amount to be levied this year is \$630,000.

Under Illinois law the City must adopt a tax levy ordinance for a special service area and file it with the County Clerk before the last Tuesday in December. The attached ordinance will levy \$630,000 for the Joliet City Center (1996 Special Service Area Number Fourteen).

RECOMMENDATION:

Staff recommends that the attached Ordinance be adopted.

Memo

File #: 573-23

Agenda Date: 11/7/2023

TO: Mayor and City Council

FROM: Rod Tonelli, Interim City Manager

SUBJECT:

Ordinance Abating the Taxes Heretofore Levied for the Year 2023 to Pay Debt Service on \$3,665,000 General Obligation Bonds, Series 2020A, and \$6,535,000 General Obligation Bonds, Series 2020B, and \$93,595,000 General Obligation Bonds Series 2022 of the City of Joliet, Will and Kendall Counties, Illinois of the City of Joliet, Will and Kendall Counties, Illinois.

BACKGROUND:

The City issued general obligation debt for Vehicle Replacements(2020A), an expansion at the library (2020B), and Rock Run Crossing TIF (2022). When general obligation debt is issued, a property tax levy is assessed within the City. Since the City uses our local motor fuel tax for the vehicle replacements. Library uses other monies in their budget, and the first three years payments are capitalized for Rock Run, this ordinance is necessary to remove the levies for 2023 paid in 2024.

Failure to adopt this ordinance will result in an additional property tax levy being charged in the City.

RECOMMENDATION:

It is recommended that this Ordinance be adopted.

GLOSSARY OF KEY CONCEPTS

ACCRUAL BASIS: Accrual basis accounting recognizes transactions when they occur, regardless of the timing of related cash flows. The application of accrual accounting techniques prevents distortions in financial statement representations due to shifts in the timing of cash flows and related underlying economic events near the end of a fiscal period. The accrual basis of accounting is utilized in developing the Enterprise Funds' budgets.

ACTIVITY: A specific and distinguishable line of work performed by one or more organizational components of a governmental unit for the purpose of accomplishing a function for which the unit is responsible. For example, "Accounting" is an activity of the Finance budget.

APPROPRIATION: An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose.

APPROVED BUDGET: The revenue and expenditure plan for the City for the fiscal year as reviewed and approved by City Council.

BALANCED BUDGET: A balanced budget occurs when operating expenditures equal operating revenues plus a use of fund balance.

BUDGET: A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

BUDGET ADJUSTMENT: Adjustment made to the budget during the fiscal year by the City Council to account properly for unanticipated changes which occur in revenues and/or expenditures and for program initiatives approved during the fiscal year.

BUDGETARY CENTER: A general operating department of a local governmental unit, or any other department, institution, board, commission, agency, office, program, activity of function to which money is appropriated by the local unit.

CAPITAL OUTLAY: A disbursement of money greater than \$25,000 which results in the acquisition of or addition to fixed assets with a useful life longer than one year.

CAPITAL PROJECTS FUND: A fund created to account for all resources used for the acquisition of designated fixed assets by a governmental unit, except those financed by special assessment or by an enterprise fund.

CONTINGENCY: An estimated amount allocated for a budgetary deficiency for contingent or emergency purposes.

DEBT SERVICE FUND: A fund to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

DEPARTMENT: A major administrative division of government.

GLOSSARY OF KEY CONCEPTS

ENTERPRISE FUNDS: A fund established to account for operations that are financed and operated in a manner similar to a private business; i.e., the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis shall be financed or recovered primarily through user charges. Joliet's enterprise funds are Water & Sewer and Parking. Enterprise funds record land, buildings and equipment as assets and expense depreciation on the same.

EXPENDITURE: The cost of goods delivered and services rendered.

FISCAL YEAR: A twelve-month period designated as the operating year for an entity. The fiscal year for the City of Joliet is January 1 - December 31.

FUND: A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities.

FUND BALANCE: Net position of a governmental fund (difference between assets, liabilities, deferred outflows of resources, and deferred inflows of resources).

GENERAL FUND: The City's major operating fund, which accounts for all financial resources except those required to be accounted for in another fund.

INFRASTRUCTURE: The basic physical framework or foundation of the City, i.e., its buildings, roads, bridges, sidewalks, water system and sewer system.

LINE-ITEM BUDGET: A budget which emphasizes allocations of resources to specific organizational units or particular object of expenditures, such as personnel services, supplies, and capital outlay. Line-item budgets may be organized to provide accountability at varying levels, such as departments, divisions or agencies.

MODIFIED ACCRUAL: This basis of accounting recognizes revenues in the accounting period in which they are both measurable and available to finance expenditures. Expenditures are generally recognized in the accounting period in which they are both measurable and incurred. The modified accrual basis of accounting is utilized in the preparation of budgets for all governmental fund types, which include the General Fund, Special Revenue Funds, Capital Project Funds and the Debt Service Fund contained within this document.

OBJECT: An expenditure category within each activity made up of sub-objects. City objects include personnel services, supplies, other charges and capital outlays.

OTHER CHARGES: An expenditure within an activity which include, for example, professional services, utilities, rents and transportation.

PERSONNEL SERVICES: An expenditure object within an activity which includes payroll and all fringe benefits.

GLOSSARY OF KEY CONCEPTS

RECOMMENDED BUDGET: The City's revenue and expenditure plan for the fiscal year, as prepared and recommended by the City Manager for Council's consideration.

REVENUE: An addition to the assets of a fund which does not increase a liability, does not represent the recovery of an expenditure, does not represent the cancellation of a liability without a corresponding increase in any other liability or a decrease in assets, and does not represent a contribution of fund capital to enterprise funds.

SPECIAL REVENUE FUND: A fund to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes.

SUPPLIES: An expenditure object within an activity which includes all supplies that have a useful life of less than one year and/or a purchase price per item of less than \$5,000 each.

WATER & SEWER FUND: This enterprise fund accounts for the operation of the City's water & sewer system. The revenues consist of charges for services from City businesses and residences.

The Houbolt Road Extension is a privately financed 1.5 mile-long extension of Houbolt Road from US 6 to Schweitzer Road with a new bridge over the Des Plaines River. This new access route for trucks is the result of years of collaboration and thoughtful planning, and will ensure the industry remains a driver of jobs and revenue for Will County while protecting our community.
