

RESIDENTIAL ACCESSORY STRUCTURES REVIEW FORM

PRIVATE GARAGES AND SHEDS

This form must be completed by the applicant prior to the issuance of a building permit for the construction, enlargement or modification to an accessory structure. Separate permits are required for electric, plumbing, gas and HVAC work as may be authorized under the building permit. When payment has been received and the application has been approved, a building permit will be issued.

I hereby certify that I have read this form and know the information to be true and correct. I understand that construction will be inspected for compliance with ordinances governing this work and agree to abide by the same whether specified herein or not. I further understand that the granting of a permit does not presume to give authority to violate or cancel the provisions of any ordinance regulating construction or the performance of construction. Issuance of a permit does not imply or represent that proposed construction complies with subdivision or deed restrictions, restrictive covenants, or other conditions which may be applicable to a particular parcel of property. I further acknowledge that I am in compliance with all City of Joliet Zoning Ordinance regulations.
